*Committee on Finance.*

PHILADELPHIA, March 6, 1912.

The Committee on Finance made the following supplemental report, when on motion the resolutions attached thereto were adopted :

*To the Right Worshipful Grand Lodge of Free and Accepted Masons of Pennsylvania :*

BRETHREN :

About a year ago the Right Worshipful Grand Master requested the Committee on Finance to make up, with the aid of the Trustees of the various Charity Funds of the Grand Lodge, a list of the mortgages and ground rents held by them and to make inquiry as to the value of the respective properties covered by the mortgages, or out of which the ground rents issued and whether there are unpaid taxes on the respective properties.

The Committee undertook the task, but after making up the list of the ground rents and mortgages, found itself unable to appraise the properties. Under direction of the Committee, its Chairman took the matter up with William R. Nicholson, President of the Land Title and Trust Company and of the Philadelphia Company for Guaranteeing Mortgages, and Mr. Nicholson agreed to have the several properties appraised and the tax records examined.

He has submitted to your Committee an exhaustive report which shows that the Grand Lodge need have no concern as to the security of the several mortgages and ground rents. As to a few of the properties, the taxes are somewhat in arrears, but that matter will receive immediate attention. He says in a letter transmitting the list: "I desire to advise you that there will be no charge for our services in the matter." The object of this report is to ask the Grand Lodge to adopt the following :

*Resolved*, That the thanks of the Grand Lodge are due and are hereby tendered to William R. Nicholson, President of the Land Title and Trust Company and of the Philadelphia Company for Guaranteeing Mortgages, and to the said Companies, for the work done by both Companies, without charge, in ap-

praising the properties covered by mortgages and ground rents, held by the Trustees of the various Charity Funds of this Grand Lodge.

*Resolved further*, That the Right Worshipful Grand Secretary forward to President Nicholson a copy of these resolutions.

Fraternally submitted,

## COMMITTEE ON PRINTING AND PUBLISHING.

The Committee on Printing and Publishing made the following report, when, on motion, the request attached thereto was granted :

*To the Right Worshipful Grand Lodge of Free and Accepted Masons of Pennsylvania :*

### BRETHREN :

Your Committee on Printing and Publishing respectfully report, that the printing of the Proceedings of the Grand Lodge of Pennsylvania for the year 1911 has again been entrusted to the publishing house of J. B. Lippincott Company, who under contract has issued a volume, creditable alike to that Company and the Grand Lodge.

The usual number, 8000 copies, have been printed, bound, and will be in readiness for distribution, from the Grand Secretary's office, in a short time, to the various Lodges throughout the Jurisdiction of Pennsylvania and to such individuals as may be entitled to receive them.

The illustrations consist of engravings of the Masonic Temple, as the usual annual frontispiece, and in addition, the

life-like portraits of Brother JOHN B. GIBSON, who was the Right Worshipful Grand Master for the year 1824, and that of Brother JAMES HARPER, the Right Worshipful Grand Master for the year 1825. Both portraits are said to be faithful likenesses of those Grand Masters, by those who have had the pleasure of their acquaintance and friendship.

Your Committee has in contemplation the insertion in the next printed Proceedings of the Grand Lodge, the portraits of the present presiding Right Worshipful Grand Master, Brother WILLIAM L. GORGAS, and that of the beloved and talented Right Worshipful Grand Secretary, Brother JOHN A. PERRY.

Your Committee therefore respectfully requests, that it be authorized to make the necessary arrangements, for the engraving of the portraits of the Officers named, asking the Grand Lodge to pass a resolution, authorizing the Committee to procure the portraits and have the work performed in ample time for the Proceedings of the Grand Lodge for the year 1912.

All of which is most cordially and respectfully submitted on behalf of the Committee.

M. RICHARDS MUCKLÉ,  
*Chairman.*

PHILADELPHIA, March 1, 1912.

One hundred and sixteen Lodges represented.

Grand Lodge was honored by the presence of "The President of the United States," Brother WILLIAM HOWARD TAFT, a member of Kilwinning Lodge, No. 356, Ohio, who entered with the Officers of the Grand Lodge, being escorted by the Right Worshipful Grand Master.

Grand Lodge opened in ample form at 3 o'clock, P.M.

The Right Worshipful Grand Master stated that he had called this Communication, as provided in Article XII, Section 5, of the Ahiman Rezon, to instruct the Craft: the Masters and Wardens of the Lodges in

the county of Philadelphia principally, being notified to be present thereat. He intended by so doing, to exercise his prerogative and make (by virtue of his presence), a Mason at sight and he was sure that the work in the three degrees had never been done in the presence of any of the Presidents of the United States.

An Entered Apprentice Masons' Lodge was opened, when MARLIN EDGAR OLMSTED was introduced and received the first degree in Freemasonry.

The Entered Apprentice Masons' Lodge was closed, and a Fellow Craft Masons' Lodge was opened, when MARLIN EDGAR OLMSTED was again introduced, and passed to the degree of a Fellow Craft Mason.

The Fellow Craft Masons' Lodge was closed, and a Master Masons' Lodge was opened, when MARLIN EDGAR OLMSTED was introduced the third time and raised to the sublime degree of a Master Mason.

The Master Masons' Lodge was then closed.

Right Worshipful Grand Master Brother WILLIAM L. GORGAS addressed Grand Lodge as follows :

When it was known three months ago that the Grand Lodge would be honored by a visitation of the President of the United States, we tried to have with us at this time, the Grand Master of Masons in England, who is the Governor-General of the Dominion of Canada. The correspondence relative to this will now be read by the Right Worshipful Grand Secretary.

The Right Worshipful Grand Secretary then read the following:

Office of the R. W. Grand Master  
of F. & A. Masons in Penna.

MASONIC TEMPLE, PHILADELPHIA, March 12, 1912.

To His Royal Highness The DUKE OF CONNAUGHT, K.G., etc.,  
Governor-General of the Dominion of Canada, Most Worshipful Grand Master of the United Grand Lodge of Ancient Free and Accepted Masons of England.

MOST WORSHIPFUL SIR AND DEAR BROTHER:

It was a matter of sincere regret to the Right Worshipful Grand Master and the Brethren of Pennsylvania that Your Royal Highness was unable to accept the invitation extended by my predecessor, Brother the Honourable GEORGE W. GUTHRIE, LL.D. (who had had the great pleasure of being present at your installation as Grand Master of the Freemasons of England), on behalf and by direction of the Right Worshipful Grand Lodge of the Most Ancient and Honourable Fraternity of Free and Accepted Masons of Pennsylvania and Masonic Jurisdiction Thereunto Belonging, to be present last September at our celebration of the One Hundred and Twenty-fifth Anniversary of our existence as a Sovereign and Independent Grand Lodge, having formerly been a Provincial Grand Lodge under the Grand Lodge of England.

Your fraternal letter, regretting your inability to be with us, was read to the Brethren at the celebration.

On Thursday, May 23d next, His Excellency the President of the United States, Brother the Honourable WILLIAM HOWARD TAFT, LL.D., will attend an Extra Communication of our Grand Lodge, to witness the work as it is done in Pennsylvania.

It gives me great pleasure to extend to Your Royal Highness a most hearty invitation to attend this Extra Communication.

It will be a real pleasure to the Brethren of Pennsylvania, the oldest Masonic Jurisdiction in the western world, to welcome the Most Worshipful Grand Master of the Freemasons of England, from whence they originally received their Masonic Light.

It would be a very auspicious occurrence for the two Brothers of our Craft, who are at the head of the Governments of our two countries, to meet together under the protection of that great Fraternity which looks away beyond mere geographical boundaries, and unites in a common bond good men of all nations, who believe in the Fatherhood of God and the Brotherhood of Man.

I am sure His Excellency the President will be very glad to meet you again and sit in Lodge with you, and my friend, His Excellency the Governor of the Commonwealth of Pennsylvania, Brother the Honourable JOHN KINLEY TENER, assures me that it will give him especial pleasure to welcome you to Pennsylvania and to sit in Lodge with so illustrious and distinguished a Brother of the Craft.

I have requested Brother GEORGE W. KENDRICK, JR., Right Worshipful Past Grand Master of Masons in Pennsylvania, and Brother JAMES M. LAMBERTON, Senior Grand Deacon of the Grand Lodge of Pennsylvania, to present to Your Royal Highness my most cordial and fraternal greetings with this invitation, hoping that amid your many engagements and responsibilities, you may give us the pleasure of welcoming you.

With the assurances of my highest consideration and fraternal regard, I remain, Most Worshipful Sir and Dear Brother,

Fraternally yours,

WILLIAM L. GORGAS,

*Grand Master.*

{ SEAL }  
{ OF G. M. }

GOVERNMENT HOUSE, OTTAWA, March 15, 1912.

SIR :

I am desired by His Royal Highness, the Duke of Connaught, Governor-General of Canada, to convey to you his heartiest thanks for the kind invitation extended to him by the Grand Lodge of Free and Accepted Masons of Pennsylvania to attend the Extra Communication of the Grand Lodge on May 23d next.

While highly appreciating this invitation His Royal Highness is very sorry indeed that his duties in Canada will prevent him from availing himself of it, and begs that you will communicate this expression of regret to the officers and members of the Grand Lodge.

The Duke as Grand Master of England sends his warmest fraternal greetings to the Brothers of the Grand Lodge of Pennsylvania.

I am, sir, your obedient servant,

	H. C. LOWTHER,
The R. W. Grand Master,	<i>Lieut.-Colonel,</i>
Grand Lodge,	<i>Military Secretary.</i>
Masonic Temple, Phila., U. S. A.	

The Right Worshipful Grand Master stated that Governor TENER's absence to-day was due to illness; that a telegram had been received from him last night to that effect.

The Right Worshipful Grand Master then addressed the President of the United States as follows :

“BROTHER WILLIAM HOWARD TAFT :

“We have been highly honored by your presence here to-day to witness the work as it is rendered in Pennsylvania.

“The work which you have just seen is the authorized work of this Jurisdiction, and like our Pilgrim Fathers, who worshipped God according to the dictates of their own conscience, we allow Freemasons in other States to do likewise. I am going to ask you to say something to the members of the Grand Lodge, but before doing so, I am going to have the Grand Marshal cause the Grand Honors of this Grand Lodge to be given you.”

The President of the United States then received the salutations of the Craft.

Brother WILLIAM HOWARD TAFT, President of the United States, addressed the Grand Lodge as follows :

*“Grand Master of the Grand Lodge of Pennsylvania and My Brethren :*

“I thank the Grand Lodge for giving me this opportunity to see this simple and beautiful ceremony. It is somewhat stripped of the additions which I have seen given in the more exuberant West, but I confess myself enough Puritan to prefer the simpler form. I have enjoyed being here this afternoon, and have felt the bonds of Masonry more than ever before. I have also enjoyed exceedingly the removal from the outer strife, which perhaps comes home more deeply to me than to those Brethren who hear me.

“I leave here with great regret, because I go to a duty less pleasant, but a duty nevertheless. I was glad of the opportunity to be here and see initiated in the three degrees my friend, who, I think you will agree with me, bore himself as a true Mason, now fully developed. He had one advantage of us this afternoon—that garb which was supposed to be an evidence of his humility had much advantage about it, that especially those of us who come under the head of what a man described to me as upholstered statesmen, can readily appreciate.

“And now, Right Worshipful Grand Master and my Brethren, I thank you exceedingly for your courtesy in making my visit so pleasant.”

Brother GEORGE W. KENDRICK, JR., Right Worshipful Past Grand Master, in addressing the Grand Lodge, mentioned that he, with Past Grand Master ORLADY and Brother JAMES M. LAMBERTON, had had the pleasure of being present at Cincinnati, Ohio, on February 18, 1909, when Brother TAFT had been made a Mason at sight, in the presence of the Most Worshipful Grand Master of Masons in Ohio.

Grand Lodge closed in harmony at 5 o'clock, 40 minutes, P.M.

## COMMITTEE ON FINANCE.

The Committee on Finance made the following report, when, on motion, the resolution attached thereto was adopted :

The Committee on Finance deems it its duty to call the attention of Grand Lodge to the fact, that some of the Subordinate Lodges make it a practice to withhold payment of the annual dues which ought to be paid on St. John's Day, for months thereafter. There may be circumstances preventing payment immediately after the dues are payable, and perhaps an indulgence until the first of March following, would not be out of place. It is also a fact, that rents for rooms in the Temple payable under contract of rental, by Subordinate Lodges, Chapters and Commanderies, quarterly, are frequently not paid until after months have elapsed. Your Committee therefore recommends the adoption of the following :

*Resolved*, That dues owing by Subordinate Lodges shall bear interest at the rate of 6 per cent. per annum, after the first day of March following the date when same should have been paid, and that rents overdue shall bear interest at the same rate from 30 days after the same should have been paid, provided that this resolution shall not apply to the dues of 1911, or to rents now owing.

All of which is fraternally submitted.

The Committee on Finance made the following supplemental report, when, on motion, the resolution attached thereto was adopted :

*To the Right Worshipful Grand Lodge of Free and Accepted Masons of Pennsylvania :*

The late William Steffe, for many years Secretary of the Masonic Home of Pennsylvania, left a will which provided, *inter alia*, as follows :

“Should the said Robert H. Graham and Eva D. Graham fail in the performance of any of the aforesaid conditions or payments, during their lifetime or during the life of the survivor of them, then in that event immediately or having observed said conditions and made such payments, then upon the decease

of the said Robert H. Graham and Eva D. Graham and the survivor of them, the said above described real estate and premises Nos. 313 and 315 North Fortieth Street, I give, devise and bequeath unto the Masonic Home of Pennsylvania at No. 3333 North Broad Street in the City of Philadelphia and the State of Pennsylvania absolutely and in fee simple. If prior to that time, however, the corporation of the Masonic Home of Pennsylvania shall cease to exist or it shall have surrendered its rights, privileges and trusts to the Grand Lodge of Pennsylvania Free and Accepted Masons and the Grand Lodge of Pennsylvania Free and Accepted Masons shall maintain a Home for the like or similar purposes as that for which the Masonic Home of Pennsylvania now exists, then I give, devise and bequeath the said premises Nos. 313 and 315 North Fortieth Street, in the City of Philadelphia to the Grand Lodge of Pennsylvania Free and Accepted Masons absolutely and in fee simple for the use, support, maintenance and benefit of the Masonic Home or Homes cared for and maintained, administered or supported by the said Grand Lodge of Pennsylvania Free and Accepted Masons."

There were claims against the estate in excess of the value of the personal property, and the heirs who are entitled to a life interest in the real estate, Nos. 313 and 315 North Fortieth Street, proposed that they should pay the Masonic Home of Pennsylvania the sum of \$500.00 in full release of its interest in the real estate. The properties are as follows :

		Value.	City tax.	School tax.
313 N. 40th St.	. .	\$2,200	\$22.00	\$11.00
315 N. 40th St.	. .	2,300	23.00	11.00

With encumbrances as follows :

Mortgages on the two properties, \$2,300.00.

The Board of Managers of the Masonic Home of Pennsylvania authorized a settlement on the terms offered by the heirs who have a life interest in the real estate, and when a search was taken out through the Land Title and Trust Company for the

purpose of securing a title policy, the following conditions were required by the Land Title and Trust Company :

“Resolution of the Board of Managers of Masonic Home of Pennsylvania passed at a duly convened meeting thereof at which a quorum was present and voting, authorizing above conveyance to insured to be produced.

“Identity of Eva Dilks who died July 1, 1909, with daughter and devisee of will of William S. Dilks, deceased, and Eva Dilks, who took title to part of the premises by deed, April 15, 1893.

“Continuing use of part of yard of premises on South is not insured.

“Collateral inheritance tax estate of Eva Dilks, deceased. Trustees of Grand Lodge F. & A. M. of Pennsylvania and Masonic Jurisdiction thereto belonging must join in above deed.

“Proper proceedings to be had in Orphans’ Court of Philadelphia under estate of Eva Dilks, deceased, authorizing said Trustees of Grand Lodge F. & A. M. of Pennsylvania, etc., to join in said above conveyance. Security to be entered as may be therein ordered.

“Proper resolution of Board of Trustees of Grand Lodge F. & A. M. of Pennsylvania, etc., passed at a duly convened meeting thereof at which a quorum was present and voting, authorizing above conveyance as aforesaid to be furnished.”

The contingency whereby Grand Lodge would acquire any interest in the estate seems at the present time to be very remote. Its consent is necessary to a settlement under the terms practically agreed upon by the heirs and the Masonic Home of Pennsylvania.

The Committee on Finance has given the matter consideration and unanimously recommend to Grand Lodge that any rights which it has in the premises be surrendered in favor of “The Masonic Home of Pennsylvania,” and request the adoption of the following resolution :

*Resolved*, That the Grand Lodge of Free and Accepted Masons of Pennsylvania, authorize the execution by the R. W.

Grand Master and R. W. Grand Secretary, of such form of release or other conveyance as may be satisfactory to the Land Title & Trust Company, relinquishing and surrendering any and all interest Grand Lodge may have in the properties Nos. 313 and 315 North Fortieth Street, under the will of Brother WILLIAM STEFFE, deceased, and authorizing conveyance of the said properties to the life tenants of the said property upon payment of such sum to the Masonic Home of Pennsylvania in full release of its interest in the real estate as is satisfactory to the Board of Managers of the said institution.

Omitting the balance on hand November 15, 1912, \$30,-346.29, leaves the excess of receipts over expenses of \$42,668.00.

Your Committee on Finance has been confronted with a difficult task. The Committee on Library requested that its appropriation be largely increased. The Board of Managers of the Masonic Home of Pennsylvania requested an appropriation of \$10,000. Your Committee has felt constrained to reduce

the appropriations for next year wherever possible. It has, therefore, reported no appropriation to the Trustees of the Girard Bequest, nor to the Trustees of the Grand Lodge Charity Fund. Both of these Funds have been the recipient of annual appropriations for some years past. Their appropriations last year aggregated \$8,000.00. To make an appropriation of this amount for the coming year would result in Grand Lodge borrowing the amount appropriated, and of course, paying interest thereon, in order that the interest the Trustees might get on the sums appropriated should be dispensed by the Almoners and Stewards. We do not deem it good business management for Grand Lodge to borrow money to invest for these charities, in the present condition of Grand Lodge finances.

The Right Worshipful Grand Treasurer reports that there are outstanding \$364,050.00 of the Masonic Homes Loan. The interest on this amount will be \$14,562.20. He has borrowed under the authority heretofore given by the Grand Lodge the sum of \$87,500.00, represented by notes bearing interest at current rates. The interest on these notes will aggregate approximately \$5,250.00. There has been expended on account of the Masonic Homes at Elizabethtown \$776,294.21.

There is due on contracts on which the work has not yet been completed, an amount which cannot be accurately stated, since some of the contracts are necessarily at unit prices. The sum yet to be paid, the Right Worshipful Grand Treasurer reports to us, will in his judgment total \$300,000, to be borrowed and interest paid thereon. Hence Grand Lodge will need every dollar of its estimated revenue over expenses and much more besides.

If there was reason to anticipate that the 4 per cent. Masonic Loan would be sold to an extent enabling the notes outstanding to be met and the bills coming due to be paid, the Committee on Finance could deal more generously with these requests for appropriations, but it is not to be anticipated that with mortgages and good bonds selling at a price yielding more than five per cent. there will be a ready sale or an increased demand for Grand Lodge four per cents.

We have therefore felt obliged to report no appropriation to the Masonic Home of Pennsylvania. It is our duty to take care of the debts incurred under authority of Grand Lodge, both because the action of Grand Lodge binds this Committee and because good business management and ordinary honesty make this course imperative.

Of course, in view of the action taken by Grand Lodge this morning, there cannot longer be any reason for the request by the Board of Managers of the Masonic Home of Pennsylvania. The offer of Grand Lodge to relieve the Home of the care of its guests—men, women, and children—in our judgment relieves Grand Lodge from making any further contributions to that Institution.

The arguments in favor of an increased appropriation to the Committee on Library would be unanswerable if there were moneys to spare for what might be regarded as more of a luxury than a necessity. We have been as liberal with the Committee on Library as we feel we can be.

The entire balance of receipts, after necessary expenses are met, we recommend be appropriated to the Committee on Masonic Homes. Of course, the increase in per capita tax provided by the Amendment to the Ahiman Rezon adopted this day, will be specifically applied to the redemption of the Masonic Homes Loan outstanding.

The Committee on Temple has been giving careful attention to the cost to Grand Lodge, of maintaining the various banquet rooms in the Temple. The cost has been growing with the increased expense for fuel, cleaning and general care-taking. The prices charged at present barely cover the cost of the electric current. The Committee on Temple has recommended that the present prices be increased, and the Committee on Finance, after careful consideration of the matter, has concluded that the prices hereafter ought to be as follows:

Grand Banquet Hall, \$25.00 for each occupancy, and \$12.50 for one-half of the room.

Gothic Banquet Room, \$20.00 for each occupancy, and \$10.00 for one-half of the room.

Banquet Rooms Nos. 1, 2, 3, 4, each \$10.00 for each occupancy.

The amendment to Article XII, Section 8, page 22, of the Ahiman Rezon, having been adopted by Grand Lodge this morning, the Committee on Finance asks the adoption of the following:

*Resolved*, That the Right Worshipful Grand Treasurer be and he is hereby authorized to continue his account as Grand Treasurer in the Third National Bank, and to open accounts in the Fourth Street National Bank and the Girard National Bank.

*Resolved*, That from and after December 27, 1912, the rentals for banquet rooms shall be increased, so that they shall be as follows:

Grand Banquet Room, for one occupancy, \$25.00.

One-half of Grand Banquet Room, for one occupancy, \$12.50.

Gothic Banquet Room, for one occupancy, \$20.00.

One-half of Gothic Banquet Room, for one occupancy, \$10.00.

Banquet Rooms Nos. 1, 2, 3, 4, each \$10.00.

*Resolved*, That the balance for the fiscal year ending November 15, 1912, whatever the same may be, excepting the increase in the per capita tax, be and is hereby appropriated to the Committee on Masonic Homes of Grand Lodge, to be appropriated in payment of bills for work at Elizabethtown, Pennsylvania, payments to be made by the Grand Treasurer, on orders drawn by the Grand Master, on bills approved by the Committee, provided, however, that the Grand Master may authorize the payment of a sum each month to the Committee, to meet current expenses at the Masonic Home at Elizabethtown, such moneys to be disbursed by the Committee.

*Resolved*, That the Grand Master be and he is hereby authorized and empowered to draw orders on the Grand Treasurer for the several appropriations for the year 1913, as are herein specified.

The Grand Secretary has furnished the Committee with a balance sheet of Grand Lodge, as of November 15, 1912, and also one after the closing entries of the year have been made, which is appended hereto, and made part of this report.

Balance Sheet, November 15, 1912, after closing entries for the fiscal year ending this day have been made :

### COMMITTEE ON LIBRARY.

The Committee on Library made the following report, which was ordered to be entered and filed:

*To the Right Worshipful Grand Lodge of Free and Accepted  
Masons of Pennsylvania:*

BRETHREN:

It has been thought proper to give a five-minutes' brief of the history of the Library for the benefit of our younger members and to encourage the Lodges who wish to form Libraries.

Forty-one years ago to-night, the First Annual Report of the Committee on Library was made to the Grand Lodge, certifying that the Library of the Grand Lodge had been established the previous June and that it contained 150 volumes of paper covered proceedings and nearly 300 bound volumes of Masonic works given by the Craft.

In that report of your Committee on Library, it reports that the first publication of this Grand Lodge was Smith's Ahiman Rezon dedicated to our Brother GEORGE WASHINGTON. The Committee laid out in 1872 \$97.05 for books. The first large gift to the Library was in 1884 when, through the Right Worshipful Grand Treasurer, Brother THOMAS R. PATTON, acting as executor of the estate of Brother JOHN HANOLD, his large and valuable Masonic Library and jewels valued at six hundred dollars, were presented to this Grand Lodge.

All the early years from 1871 to 1884, the Committee on Library persevered in the undertaking, by seeking books as gifts from the members, but there is no record of purchases for the Library. The first mention is in the report of 1885, when \$41.65 was spent for books and the average expenditure for books during the years up to 1898, was \$59.28.

The report of the Chairman of the Committee on Library in 1899, at which time Brother GEORGE P. RUPP became Librarian, shows the beginning of a new era when \$396.37 was spent for books. Mention is made that jewels and other valuable relics were placed in the Grand Master's safe, until a suitable place might be found for a museum, but there was no display of Masonic relics and paraphernalia.

The report of 1903 hints the necessity of a place to exhibit. The report of the Committee in 1905 speaks of show cases being erected in the new quarters of the Library. It was then that Brother GEORGE W. KENDRICK, Jr., became Grand Master and upon his inspiration a revival of interest in the Library and Museum took place. The zeal and labors of the Committee, under whose direction the Loan Exhibitions of Washingtonia and Frankliniana took place, put the Library and Museum idea for-

ward, and it assumed new importance. Much material was gathered that, owing to the sickness of Brother RUPP, the Librarian, was not exploited. In the seven years from 1899 to 1905 \$3,434.43 was expended for rare and valuable books, \$1,556.99 for antiquities and relics. The much regretted resignation of the Chairman of the Committee on Library in 1905 led to the appointment of a new Committee by the Right Worshipful Grand Master and in the period from 1906 to 1912 your Committee has expended for books \$1,944.19 and \$7,573.86 for antiquities and relics. In the last five years of service of this Committee we have left in your Treasury undrawn the sum of \$6,259.23 unexpended balance which was available for use but was saved.

The question naturally occurs to you sir, and Brethren, why was not this money used for the good of the Library and Museum?

The proper answer is that you have an economical Committee that prefers to not take advantage of an appropriation unless the way is clearly open to benefit your work.

1. As a Library we have been passing over from a transitional period, as stated in one of the reports of previous Committees, to a prophylactic or preservation period, feeling our way along before expansion, for prudential reasons.

2. Many purchases have been held in abeyance to avoid duplications of uncatalogued books and jewels.

3. The small unexpended balances of annual appropriations were insufficient to secure articles other than ordinary and they remained in the Treasurer's hands at the end of the fiscal year.

4. In our limited spaces we are at our wits' end to make room for proper installation of important articles.

5. We greatly desire to henceforth husband all our resources for articles of a higher and rarer class.

When the present Librarian took charge September 10th, 1906, it was found that there was entered in the Accession Book, 2,066 bound volumes of general Masonic interest, and they were only partly catalogued.

We have now, December 1st, 1912, 11,404 volumes according to the Librarian's report, all properly rebound, or repaired where necessary and in thorough good order, with the catalogue completed.

We do not include in above figures as was formerly the custom, of previous Committees, the proceedings of Grand Lodges of which we have 36,000 copies, which are kept separate from writings of Masonic history, biography and miscellaneous Masonic literature. The various publications of the Committee are set forth in the table following, showing what we have of the property of the Grand Lodge, in titles, quantity, cost and selling value when sold to members and the various Lodges.

Masonic Lodges of Pennsylvania, Moderns and Ancients, has been prepared, issued and is on sale.

In this volume there are no less than 2500 names of Brethren giving their Masonic standing and often short biographical notices. This feature is of great value to the historical writers and genealogists, as many of these names are not to be found elsewhere.

The collection of this valuable data has been the principal labor for the past year. The book is bound in cloth, is a large octavo volume of 428 pages with 84 illustrations in the text, 5 chromotypes and 36 portraits, the sale price being \$4.00 per volume. The first edition is limited to 1500 copies. If the Brethren realize the value of this book the first edition would be bought up this week.

Work is already well under way on the second volume including the various regimental Lodges in the Continental Army.

It is not out of place to say that these publications, prepared by a veteran Mason, have the same relation to the Masonic Fraternity, as President General Grant's History of the War had, for the old soldiers who marched with him to victory.

Our collection of valuable Masonic medals consists of 958 specimens. Our cabinets of Chapter tokens contain 2044 tokens, 1213 of which are duplicates. This collection is undoubtedly the most complete in America.

Most all of our Masonic manuscripts of the Provincial, Colonial and Revolutionary periods have been carefully mounted, classified and indexed by the Librarian and his assistant.

Since November 1st, 1906, there have been listed, arranged and catalogued 3631 actual articles of the Museum. Many of these objects could not be replaced and their value to the Fraternity is not to be estimated.

During the same period no less than 56 paquets of old records and manuscripts have been mounted, collated and indexed in 36 volumes.

Our Library and Museum being entered in Baedeker and

other Tourist-Guides, as one of the important places to be visited in Philadelphia, has brought quite a number of foreign visitors to our Library who have expressed astonishment at the wonderful collection. This a year ago was appraised at no less than \$150,000.00. During the past year material fully to the value of \$5,000.00 has been added. The total cost of this great collection to the Grand Lodge, including the cases and tables for the past ten years was \$8,843.05.

The Library subscribes for and keeps on file for the use of the Brethren no less than 45 Masonic periodicals, 38 of which are published in the United States, the remainder in Germany, Philippine Islands, Porto Rico, England, South Africa and Canada. Our collection of Masonic Books and proceedings is the most complete in America and open to all Master Masons in good standing and a helping hand is always extended by the Librarian or his representative, to all seekers of Masonic truth and knowledge. Especial attention is called also to our Colonial and Provincial manuscripts now collated and indexed by the Librarian.

While the Museum slowly but constantly improves and though it continues to excite the curiosity and interest of a portion of our members, it fails to assume the position it deserves to have, as the representative of the first Grand Lodge of the United States. The 11,437 members of this Grand Lodge who are also members of the 486 Lodges in the State of Pennsylvania, over one hundred thousand strong, which includes the 25,000 Brothers in the membership of the 81 Lodges of this old first American City, have it in their power to create a Masonic Library and Museum in Philadelphia that would uplift the interest of Masonry throughout the world.

Our Library and Museum is the only Masonic School House in the State with text-books, maps and object lessons and a learned school-master is at its head.

The threefold purpose of the Library and Museum is :

1. The preservation of the memories of our noble ancestry and the continuation of their heroic work in establishing and building up the Fraternity.

2. The education of our members in the principles and duties of Masonry.

3. To stimulate the interest of all our Lodges and enlarge the membership.

I must repeat the same old story that the growth of the work you have entrusted to us is dwarfed by the small spaces for exhibition purposes.

The little smoking room adjoining the reading room, is still used by a few venerable veterans who are faithful smokers, and the Library Committee has not been able to properly incorporate it into your Library premises.

After all, in our great straits, this little room, not yet in our possession, is but a small cigar box, or cigarette case which, when turned over to the Library, will not meet the wants of a Library that could well use more than three times the space already occupied by the installations to the great advantage of the 100,000 Masons of this City and State. The apparent insignificance of the Library and Museum has only attracted the attention of about 2 per cent. of our members.

The smallness of our appropriation for antiquities limits us to purchases of least expensive things. The Museum lost a guaranteed watch of the Marquis General LAFAYETTE, because others paid more for it. We cannot afford travelling expenses for long tours of search in distant countries to unearth the hidden treasures.

Your Committee is unanimous in the opinion, that our most worthy Librarian's curator's work should be fortified and perpetuated, by the early employment of a young man as an understudy to take over at some future time, the stores of knowledge and experience and to continue the labors of Dr. SACHSE. Were such an assistant available Dr. SACHSE might safely leave his work in proper hands, which he cannot now do, and take sufficient time to thoroughly scour the homes of Freemasonry in foreign lands and gather treasures that will not be within our reach at a later period. We have so few of the great things obtainable—our collection of manuscripts and letters include but two of Brother GEORGE WASHINGTON. We have no signature of BENJAMIN

FRANKLIN, nor of LAFAYETTE, nor of some of the early Presidents of the United States, who were Masons. There are Regal Masonic garments, portraits and jewels of King EDWARD and other great leaders and rulers of the world that are securable with diplomatic effort.

Some of the Oriental tools and master-pieces of Masonic work are accessible and to be had if we are disposed to go after them. Such things are not obtainable at auction sales nor from speculators' hands.

It is to be much regretted that our curator could not attend the meeting at Athens, Greece, this year, of the International Congress of Orientalship of which he is a member. It would have given us touch with learned Savants of Egypt, Turkey, Greece and the whole world. Of course, this is a day of great opportunity and we are singularly for this Grand Lodge, well linked with the Brother Mason in your employ competent and equal to the work you have called him. We can still hold our own, as many of the old-time illustrious Lodges of Free and Accepted Masons are said to be doing now, yet infinitely greater would be the coining into golden effort, the energies of this great Brotherhood for the honor and advancement of Masonry, even though it involved the purchase of the Arch Street Church, or other property adjoining, or the putting of two new stories upon this magnificent structure, evidently insufficient for the great work of the Grand Lodge.

Were the whole first floor of this building open to the human note and true fellowship life of this Fraternity, it would thrill this great structure from foundations to roof and the cause we love would take a great leap forward.

Your great building is not only the business office of the Fraternity, but it is the College of Masonry and to some of us it does not seem to be keeping step with its opportunity, as compared with the care of its great classes of students as other Colleges, neither as rich nor strong as we are, in the furnishing of large, light, sociable rooms in Libraries, Reading Rooms, rest and quiet rooms and for historical research in Museum facilities of study.

It is quite certain that the purchase by our members of our publications, and their use of them, would rapidly stimulate the life and love of our Brethren for their Masonic life work and the turning back to the Committee on Library from this time the profits on its publications for Museum purposes only, would go far to put your library in proper condition.

The Committee on Library respectfully recommends, to the consideration of the Right Worshipful Grand Master and the Grand Lodge, the propriety of placing the profits of the sales of the Library publications in a special fund, to the credit of your Library Committee, to be used solely for purchases of books for the Library and Masonic antiquities for the Museum of the Grand Lodge.

Your Committee also recommends the following form of bequest for the consideration of the members of the Lodges in making their wills :

“I give and devise unto the Grand Lodge of the Most Ancient and Honorable Fraternity of Free and Accepted Masons of Pennsylvania and Masonic Jurisdiction Thereunto Belonging, all my Masonic books, Masonic clothing and jewels and Masonic jewelry, to be deposited in the Grand Lodge Library and Museum.”

Dear Right Worshipful Grand Master and Brethren, many of you veterans beloved and honored all over the State for services given and work well done, you know best the straight paths towards the high roads of prosperity, in extending the powers and blessings of Masonry, but to some of us late comers and newer apprentices it does seem, wisely or unwisely though it may be, that while offices, and to some extent, homes and hospitals and farms, are necessities to prove our benevolences, that the day will surely come soon, when the man himself will be the chief object of our labors, and the fathers will be recommending their sons and the Brothers their other brothers for initiation into the mighty principles of our faith, and through this Grand Lodge work, watch over and strengthen them in character and capacity, that their lives may tell in larger citizenship and usefulness, for the glory of the God of Israel and the work of up-

building this nation of ours, the greatest and best on the face of the globe.

## COMMITTEE ON MASONIC HOMES.

The Committee on Masonic Homes made the following reports, when, on motion, the preambles and resolutions attached to the supplemental report were adopted :

PHILADELPHIA, PA., December 4, 1912.

*To the Right Worshipful Grand Lodge of Free and Accepted  
Masons of Pennsylvania :*

BRETHREN :

As required by Section 43 of the Ahiman Rezon, the Committee on Masonic Homes submits its fourth annual report, covering the year ending November 15, 1912.

Reference to the first, second and third annual reports of the Committee will show, the deliberate manner with which the work in hand was considered and begun, and the stage to which its operation had progressed at the close of the year 1911.

There have been twelve regular meetings of the Committee during the year, at which there has been an average attendance of nine. Those who were not present were always accounted for, by absence from the Jurisdiction, or some other unavoidable occurrence. In addition to the regular meetings, there have been numerous meetings of the Executive Committee, Building Committee, and a number of Sub-Committees to which had been assigned special parts of the work as it progressed.

The vacancy, which occurred upon the Committee by reason of the result of the vote at the last election of the Grand Lodge, was filled by the Grand Master by the appointment of Brother GEORGE W. McCANDLESS, who has rendered the Committee efficient service.

In stating what has been accomplished during the year, it would be impracticable to enter into details, but a comprehensive view of what has been done may be gathered by a brief summary of some of the more important work.

#### GRAND LODGE HALL.

At the end of the Masonic year 1911, the foundations of Grand Lodge Hall were laid and the walls erected, ready for the first floor. About one-third of the first reinforced concrete floor was in place. At the end of the present Masonic year, all the stone work is finished; the building is erected; the roofs completed; and nine-tenths of the plastering is finished. The maple floors are nearly all laid on the second and third stories, and a goodly portion of the finished woodwork is in place on the second and third floors. The heating system with radiators is practically completed. The plumbing throughout the building is ready for the fixtures. The vacuum cleaning system is ready for use. The ice-water plant is installed. The tile work throughout the building is finished. Windows are in place, so that all that remains to be done, is inside the building.

#### CHANGES IN BUILDING.

Some minor changes were permitted in the specifications of Grand Lodge Hall, but none other than those which first had the approval of the Building Committee, Architects, and Engineers.

#### FURNISHINGS.

A contract has been awarded to Joseph Horne Company of Pittsburgh, they being the lowest and best bidders, for the furniture and furnishings of Grand Lodge Hall, at a contract price of \$19,438.63.

### POWER PLANT.

The central heating and lighting plant, which was begun at the close of 1911, has been completed. It is located alongside the Pennsylvania Railroad and equipped with two Fleming engines of 150 horse-power each, three 150 horse-power Keeler boilers, one 125 foot Kellogg Radio brick stack, two Crocker-Wheeler generators, heaters, and pumps for a hot-water system of heating. Concrete and steel coal trestle and pockets have also been erected.

In connection therewith is a laundry equipped with the most modern machinery of the Troy Laundry Machine Company.

From this power-house are conducted steam pipes and electric cables to Grand Lodge Hall, a distance of 3500 feet, in an underground duct, of five feet by five feet, inside measurement. On December 10, 1912, all the machinery will be in operation.

### SEWERS AND SEWAGE DISPOSAL.

Fifteen hundred feet of thirty inch storm water sewers, making a total of 5978 feet, with thirty inlets, and 5800 feet of twelve inch sanitary sewers have been constructed.

After consultation with the State Department of Health, and very serious consideration upon the part of the Committee, a contract was entered into with the Hammond Engineering Works of Warren, Pennsylvania, for the construction of a sewage disposal plant, consisting of two filter tanks, a sludge collecting tank, a rotary vacuum sludge dryer, from which sludge is received dry and ready for bagging and fertilizer, the effluent to be treated electrically in a closed tank, after having passed through the filters. The contract price for this work complete, not including the buildings and foundations, is \$21,454.80, the work to be finished by December 31, 1912, and to be paid for only after a satisfactory test shall have been made and the work

finally approved. The building and foundation will cost \$3,327.50.

#### ROADS.

Eighteen hundred and sixty-nine feet of Telford Macadam road, Amisite top, have been constructed, leading from the new station site to and around the village, and along the western boundary. One and one-half miles of dirt road have been constructed, leading to the pump-house, along the dams, to the cemetery and farm roads.

#### GRADING.

Thirty-five thousand seven hundred cubic yards of earth have been handled in the grading of the grounds.

#### PLANTING.

Sixteen thousand five hundred and thirty-five trees and shrubs have been planted during the year, which, with those heretofore planted, make a total of 56,297 trees and shrubs planted to date.

Attached and marked Exhibit A, is a list of trees and shrubbery on the general planting plan of the Home, with their common and their botanical names.

In addition, there have been planted in 1910, 1911, and 1912, on a forty acre section on the Joseph Shissler tract, an orchard of carefully selected fruit trees, donated by Mount Moriah Lodge, No. 300, Huntingdon, as follows:

800 Apple trees,	105 Pear trees,
25 Crab Apple trees,	80 Plum trees,
2176 Peach trees,	31 Quince trees,
252 Cherry trees,	12 Apricot trees,

Twenty-six thousand Hemlock, Spruce, and White Pine trees, donated by the Forestry Department of the Commonwealth.

On the Simon Rutt tract, an orchard of 557 Peach trees, and 100 Sober Paragon Chestnut trees.

On the Rutt-Bishop nursery tract, 600 grape vines and an assortment of Walnut, Hickory, Pecan, Chinquapin, etc., trees, ornamental and shrubbery stocks—aggregating over 7000, that have been donated by members and Lodges, to be there developed and transplanted along roads, drives, etc., for general decorative uses.

In a grove fronting on the Falmouth Turnpike, over 6000 hardy perennial trees, shrubs, and vines, transplanted from the Allegheny Mountains in Huntingdon County, and donated by Mount Moriah Lodge, No. 300.

Additional donations have been promised, and they will be located in the nursery, or at selected places to conform to the general plan of the Committee.

We contracted with Thomas Meehan & Sons Company for trees and shrubs, which were provided in schedule furnished by Charles M. Lowrie, the Landscape Architect, at a contract price of \$2,399.67.

The orchards have been sprayed twice during the year.

As a precautionary measure, the Chestnut Tree Blight Commission of the Commonwealth, has been requested to inspect our chestnut trees and give them such treatment, as in their judgment may be necessary.

#### CROPS.

The following crops have been planted during the year:

Corn, 49 acres; wheat, 80 acres; oats, 28½ acres; grass, 53 acres; tobacco, 27 acres; alfalfa, 10 acres.

Over two hundred acres of the best land could not be utilized, on account of the building operations which were in progress. Fourteen acres have been set aside as a kitchen garden, from which an ample supply of vegetables will be raised for the Homes.

The money turned in to the Grand Treasurer, on account of the farm products and rentals, amounted to \$2,677.46.

The tobacco crop is not ready for market and is unsold.

## STOCK.

At the end of the Masonic year 1911, we had one bull, two cows, eight hogs, twenty-four sheep, three horses, and some pigeons. At the end of the Masonic year 1912, we have one bull, four cows, two heifers, sixty-one sheep, twenty-four hogs, seven hundred chickens, three turkeys, five geese, twelve guineas, three ducks, and twenty-six pigeons.

## CHICKEN FARM.

A poultry house, one hundred and ten feet long, and five colony houses, have been erected on tract No. 10.

## SHEEP.

The sheep pasture of seventy-five acres has been enclosed with a substantial wire fence with locust posts.

A sheep corral has been built on one of the tracts.

## REPAIRS.

Repairs have been made on tracts Nos. 1, 7, 10, 11, 12, 14, 15, 16, 17, 18, 19, 22, 24, and 28; also on House No. 1.

## CEMETERY.

A cemetery has been laid out, and a road constructed thereto. Three interments of our members have been made.

Rules and regulations governing the cemetery were also adopted.

## BOND ISSUE.

A bond issue of Series "B" of \$200,000, known as the Masonic Home Loan of the Grand Lodge, Free and Accepted Masons of Pennsylvania, with interest at the rate of four per cent. per annum, payable semi-annually on the first days of January and July, certificates to be issued in amounts of \$50, \$100, \$500, and \$1000, redeemable in five years, and payable in twenty years, was provided for. Of these \$157,-

050 in amount have been issued, which with series “ A ” heretofore issued, make a total issue to November 15, 1912, of \$357,050.

INSURANCE.

Fire insurance has been placed on the farm buildings in the Mount Joy Mutual Fire Insurance Company, to the amount of \$36,685, and \$1200 on the furniture and fixtures of each of houses Nos. 1 and 2; \$15,000 insurance was placed on the power house, with the Hartford Boiler Insurance Company.

We have also covered the public and employer’s liability at the power house with liability insurance.

MEMBERS.

the Masonic year 1911, was.....	52
Admitted during year 1912.....	8
	—
	60
Died during year 1912.....	6
Left during year 1912.....	1

Remaining under our care at present.....	53

Attached and marked Exhibit B, is a list of members admitted during the year, together with the names of the Lodges from which they came.

By reason of the construction which is now in progress, it has been impracticable to keep separately some of the accounts which necessarily enter into the cost of maintenance of the members. However, the total cost of maintenance was \$12,994.71. This amounts to \$245.18, each, per year, or \$4.72 per week. With the completion of Grand Lodge Hall and the furnishing of many of the supplies from our own farm, the per capita cost will be materially reduced.

There are now in the hands of the Committee, approximately one hundred applications for admission.

The rules for admission to the Home were amended, so that no applications should be received, unless the applicant should have been a member in good standing, in this Jurisdiction, for at least ten years continuously, preceding the date of the application.

During the year Brothers McCLUNEY RADCLIFFE, PAUL J. PONTIUS, and J. FREDERICK HERBERT, eye specialists, volunteered their services to visit the members, to attend to their needs as occasion might require. The services of the oculists were given gratis.

A rule was adopted, providing that no person be permitted to sell wares and merchandise, or make exhibits of any character or kind, on the grounds of the Home, unless by permission of the Committee.

#### DONORS.

As an evidence of increasing interest in the Home on the part of the Craft, we append a list of donations, made during the year by eighty-five donors, marked Exhibit C.

#### THE BERKS COUNTY HOME.

The Brethren of Berks County have asked the privilege of erecting the first cottage under our village plan, costing \$20,000, and to be built in accordance with plans and specifications, to be approved by the Committee and under the Committee's supervision.

The acceptance of this most generous offer is fully set forth in the following agreement:

After several interviews with a Committee representing all the Lodges in Berks County, the generous proffer of the Lodges of Berks County was accepted and a cottage to be designated "The Berks County Home," may be erected, to accommodate 25 members, at a cost of not less than \$20,000,

all of which is to be contributed by the Masons of Berks County, and paid into the office of the Grand Secretary, before work is begun on the ground, which has been heretofore set apart on the village-green, by the Committee on Homes for the use of the Berks County Brethren.

The architecture of which, shall be in general character and detail, as that of Grand Lodge Hall, and shall conform technically with it.

The construction of the building shall be of general fire-proof type, uniform with Grand Lodge Hall; all material and workmanship to be accurately defined in detailed working plans and specifications, which are to be submitted by the Berks County Brethren, and after their approval by the Committee on Masonic Homes, shall be the basis for bids for the erection of the building, which is to be complete in every detail, without an extra of any kind or character. All materials furnished to be inspected, and all work done to be supervised by a Clerk of Works to be designated by the Committee on Masonic Homes, and his decision in all matters to be final and conclusive, except on an appeal from his decision to the Committee on Homes. All payments to the contractor and material men, shall be made as the work progresses, by the Grand Master, under such rules and conditions as may be prescribed by the Committee, when the contract is awarded or material ordered.

The Committee on Homes to make connection with water, sanitation, heat, and light service, at the outer wall of the building, as it is constructed, and to assume entire control of the building and provide for its future maintenance and occupancy, under rules and regulations to be prescribed by the Committee on Masonic Homes.

#### VISITORS.

Another evidence of interest in the Home, is shown by the fact that it was visited by representatives from 130

different Lodges in our Jurisdiction, and by twelve representatives from other Jurisdictions.

During the year 1912 there were 1109 registered visitors, while the total estimated number of visitors for the year was 7000.

The Committee earnestly suggests that one day in the year be set aside, to be called Masonic Home Day, for visitation by Grand and Subordinate Lodge Officers, members and committees of affiliated bodies.

#### MASONIC HOMES IN OTHER JURISDICTIONS.

By permission of the Right Worshipful Grand Master, Right Worshipful Past Grand Master Brother ORLADY communicated with a number of Jurisdictions in the United States, requesting information in relation to the institution and maintenance of Masonic Homes. From the information gained by him, it appears, *inter alia*, that there are Masonic Homes established in twenty-four Jurisdictions; in twelve others, funds are being accumulated to be applied to this design as soon as sufficient funds are secured, or proper sites selected. The aggregate of affiliated members in the Jurisdictions in which Homes are established and contemplated is 825,000. The number in Jurisdictions in which no Home is contemplated is 40,000. The number of persons maintained in Homes is 2800; the aggregate value of Masonic Homes and funds is \$4,000,000. There are but two Jurisdictions with a Masonic Home debt.

#### FINANCIAL STATEMENT FOR THE YEAR 1912.

The amounts due under all contracts entered into by the Committee are paid by the Grand Treasurer. The following statement shows the amounts received by the Executive Committee and paid out by them, other than the contracts referred to.

The Committee respectfully offers the following:

*Resolved*, That the Grand Lodge of Free and Accepted Masons of Pennsylvania, hereby authorize and empower the Committee on Masonic Homes, to execute contracts for the completion of the necessary additional construction and

betterment work, as suggested in the foregoing statement, at the best obtainable prices after open competition for all new construction, and according to their present system, for improvement and upkeep work.

Answering many inquiries upon the subject, the Committee desires to state that bequests in last wills and testaments, that are intended for the charities under the control and administration of the Committee on Masonic Homes, should be in the following form:

*“ I give and bequeath to the Right Worshipful Grand Lodge of Free and Accepted Masons of Pennsylvania, for the use of the Committee on Masonic Homes, under its control, the sum of ————— Dollars, and I hereby direct that this bequest shall be free and discharged of and from all commissions, charges and collateral inheritance taxes.”*

#### SCOPE.

As the work has progressed, its importance and magnitude have grown upon each member of the Committee. This does not refer merely to the money invested, but to the vast undertaking which lies before us, in carrying out the spirit of the resolutions, which stated that the purpose of the Grand Lodge was, to “properly care for dependent Masons, their wives, widows, and orphan children.”

Our work is permanent, and we must lay its foundation deep enough and broad enough for all time. Our ideals are high and it is incumbent upon us to build up to them. The controlling thought of the Committee is, that the Home shall be the extreme antithesis of an almshouse, and that there shall be nowhere in evidence, a single sug-

gestion of such an institution. Much thought and attention have been given to this subject. In looking over the field, we find that while there are some institutions which resemble this, ours is unique. If the scope planned by the Committee is carried out, nothing like it will have been developed anywhere.

The Committee strongly feels that each member who is received in this Home should be an integral part of a real, living, moving community, in which he or she has an important part, and that there should be upon each, a feeling of responsibility for some work, for which each may be best adapted, whether it be the care of flowers, spraying of trees, inspection of cattle, care of the library, or looking after the household linen. In this Masonic village there should be no drones, no inactive members, saving only those who may be incapacitated, but each should feel that there is still for him or her, a real purpose in living. Fortunately, we have a wealth of resources to enable us to carry out this thought. The numerous activities, which may be called into play along this line, include agriculture, horticulture, forestry, road making, carpentry, domestic science, and many other lines of interest which easily suggest themselves.

It must be understood that those who enter our gates, do not leave behind them hope nor inspiration. They must feel with the rest of us that

“Every day is a fresh beginning,  
Every morn is the world made new,”

and enter upon the duties of each new day with hearts filled with praise and gratitude to Him who directs and rules and governs the Universe.

## ANNIVERSARY (125th) OF THE GRAND LODGE.

The Committee on the One Hundred and Twenty-fifth Anniversary of the Independence of this Grand Lodge, made the following report, when, on motion, it was

*Resolved*, That the Committee be discharged, with the thanks of this Grand Lodge for the very able and satisfactory manner in which it performed its duty.

*To the Right Worshipful Grand Lodge of Pennsylvania :*

At the Quarterly Communication of the Grand Lodge held September 7, A.D. 1910, A.L. 5910, preambles were presented setting forth that the Provincial Grand Lodge of Pennsylvania, under the authority of the Grand Lodge of England, deeming it improper to remain longer under the authority of any foreign Grand Lodge did, on Monday, September 25, A.D. 1786, A.L. 5786, close forever ; and the present Grand Lodge of Pennsylvania was, on the same day, duly formed as a Grand Lodge independent of Great Britain or any other authority whatever ; whereupon, resolutions were adopted that the Grand Lodge of Pennsylvania celebrate the 125th Anniversary of its independence with suitable ceremonies in the Masonic Temple, in the city of Philadelphia, on Monday, September 25, A.D. 1911, A.L. 5911, recommending similar celebrations by the Lodges throughout the Jurisdiction, and that a Committee of twelve, consisting of the Grand Officers and six other Brethren, be appointed, to prepare a programme and take charge of such celebration.

The committee to whom was entrusted the carrying out of the Celebration, beg to submit their final report :

Invitations to attend the Celebration were sent to the Grand Masters of all the Jurisdictions with which the Grand Lodge of Pennsylvania holds fraternal relations, a special invitation having been sent to the M. W. Grand Master of England ; to the Officers, Trustees and Committees of the Grand Lodge ; to a number of distinguished Brethren ; and to one specially selected Representative of each Lodge in this Jurisdiction.

It was a matter of great regret that, on account of the limited seating capacity of Corinthian Hall, it was impossible to accommodate all the members of the Grand Lodge, and from this unfortunate circumstance the representation from each Lodge was necessarily limited to one Representative.

A Suggested Programme was furnished to the Lodges throughout the Jurisdiction, and it was urgently recommended that they celebrate this important event in their respective Lodge Rooms in a manner befitting the occasion.

The Right Worshipful Grand Master decided that an appropriate service should be held on the Sunday preceding the Anniversary, and invitations were extended to attend religious services to be held at the historic Christ Church, Second Street above Market Street, Philadelphia, on Sunday, September 24, A.D. 1911, A.L. 5911, at 3.30 P.M.

The Grand Lodge formed in the Masonic Temple and marched in procession to the Church, almost filling it to its capacity.

The celebration at the Masonic Temple on Monday, September 25, A.D. 1911, A.L. 5911, at twelve o'clock noon, was considered as fully meeting all the requirements of so important an occasion.

As a fitting conclusion of the celebration of our Independence, the Right Worshipful Grand Master directed that the Corner-Stone of "Grand Lodge Hall" at the Masonic Homes, Elizabethtown, Pennsylvania, should be laid with Masonic Ceremonies on Tuesday, September 26, A.D. 1911, A.L. 5911.

The celebration of the 125th Anniversary of the Independence of The Right Worshipful Grand Lodge of Pennsylvania was regarded so important and the ceremonies of the Celebration so successfully carried out, that it was decided that a Memorial Volume should be prepared, giving a full account of the Celebration.

An edition of two thousand numbered copies was printed; the delay in its preparation being due to causes over which the Committee had no control. The Grand Secretary's office has been entrusted with the delivery of the volumes to the Brethren who participated in the Celebration, to each of the Lodges in this

Jurisdiction, to all Grand Lodges with which we are in fraternal relations, and to leading libraries in all parts of the world.

The correspondence of the Committee, other papers and articles of interest, have been deposited in the Library of Grand Lodge.

The Memorial Volume, with 13 illustrations, is an octavo, 252 pages, rag paper, and bound in full purple ribbed cloth, gilt top, with lettering in gold on the back and gold embossed seal of the Grand Lodge on front cover.

The volume is divided into four parts, viz.:

First: The Services at Christ Church, with Order of Service and Sermon.

Second: The Celebration at Masonic Temple, with Order of Procession, Programme, Addresses, Letters of Regret, Banquet, with names of the Brethren invited.

Third: The laying of the Corner-Stone of "Grand Lodge Hall," Masonic Home, Elizabethtown, Pa., the Exercises, Names of the Lodges participating, also the Oration.

Fourth: Appendix, containing copies of Invitations, Suggested Programme, Cards, Letters, etc.

The Committee desire the Memorial Volume considered as a part of this report.

The Committee having finished the work assigned to them, and all bills having been paid, now ask to be discharged.

Respectfully and fraternally submitted,

Brother WILLIAM BOOTH PRICE, Grand Director of Ceremonies of the Grand Lodge of Maryland, was pleased to visit Grand Lodge, entering with the Grand Officers.

Copies of proposed Amendments to By-laws were received and referred to the Committee on By-laws.

A communication was read from Lodge No. 436, requesting a definite ruling, relative to the proper manner of engaging Banquet Rooms in the Temple and how the same are assigned to Lodges. This was referred to the Committee on Temple.

Brother LOUIS WAGNER addressed the Grand Lodge as follows:

Right Worshipful Grand Master, may I be permitted to say that I took an opportunity to have a conversation with the Chairman of the Committee on Finance, and he advises me that there has been no meeting of that Committee since the last Communication of this Grand Lodge, held December 4, 1912, and I therefore desire to make a motion in relation to this matter, and that is

*Resolved*, That the Committee on Finance be discharged from the further consideration of the motion which I made, making an appropriation of \$10,000 to the Masonic Home of Pennsylvania, now located in Philadelphia.

The Right Worshipful Grand Master stated, that the motion in question was referred to the Committee on Finance, for further consideration, at the last Communication of the Grand Lodge, held December 4, 1912, as the Ahiman Rezon provides, that all questions of finance must be referred to that Committee. He also stated, that he declined to entertain the present resolution, for the reason that, at the Quarterly Communication held December 4, 1912, a resolution offered by the Committee on Masonic Homes, was unanimously adopted, to which an answer was requested from the Masonic Home Corporation, by March 1, 1913.

Brother WAGNER requested that the above action be noted in the minutes of the Grand Lodge, to which the Right Worshipful Grand Master gave his consent.

## ADDRESS OF THE GRAND MASTER.

Right Worshipful Grand Master Brother WILLIAM L. GORGAS addressed the Grand Lodge as follows:

*Right Worshipful Past Grand Masters, Officers and Members  
of the Grand Lodge of Pennsylvania:*

BRETHREN:

It has been customary for Grand Masters, at the close of their term of office, to render an account of their doings for the year, and I cheerfully follow in their wake. Before doing so I desire to thank the members of the Grand Lodge, for the very cordial support given me in the past year and for the continued confidence reposed in me, in re-electing me as your Grand Master for another year, and to again promise to manage the affairs of this Body, in such a way as not to bring opprobrium upon it, and with such ability as I am by nature endowed. On the surface there are no feelings of discontent amongst the members of the Fraternity throughout the State. They all seem to be working for the same end and purpose, the upbuilding of heart and mind and the betterment of mankind.

It is said a custom prevails amongst the peasantry in parts of Ireland, to leave the door of their cottage open and a light burning on Christmas Eve. This is done, it is said, by some that should the Christ child return to earth, instead of being harbored in a manger, he might have a better and more appropriate abiding place. Others say it shows a welcome to the passerby and the wayfarer.

The door to our Lodges is always open and a light is always burning to welcome those, who, seeing our good work, are willing to join our ranks and be contributors to the Ancient Usages, Customs and Landmarks of the Fraternity.

We welcome those who come with no ulterior motive than that of doing good to mankind and bettering the human race. Our ranks have been increased by initiations within the past year, by six thousand persons who voluntarily presented themselves to become Brethren amongst us.

#### NECROLOGY.

We pause for a moment to record the deaths of some Brothers who were faithful to the trusts committed to their keeping. They will be remembered in circles, large or limited, because of the services which they rendered to the Craft in this Jurisdiction, and the work which they performed will stand forever as having been Plumb, Level and Square, and witness to their faithfulness.

Brother ATWOOD SMITH, of Union Lodge No. 121, a member of the Commissioners of the Sinking Fund. Appointed December 27, 1889, by Brother CLIFFORD P. MACCALLA, R. W. Grand Master. Died February 15, 1912.

Brother JOHN J. R. CRAVEN, of Corinthian Lodge No. 368, a member of the Trustees of the Thomas R. Patton Memorial Charity Fund. Appointed December 28, 1908, by Brother GEORGE B. ORLADY, R. W. Grand Master. Died February 12, 1912.

Brother ROBERT R. BRINGHURST, of Charles M. Swain Lodge No. 654, a District Deputy Grand Master. Appointed December 28, 1908, by Brother GEORGE B. ORLADY, R. W. Grand Master. Died August 3, 1912.

#### PORTRAITS OF RIGHT WORSHIPFUL PAST GRAND MASTERS.

A resolution of the Grand Lodge was adopted at the Quarterly Communication, held December 7, 1910, to procure the portraits, life size in oil, of the living Past Grand Masters, R. W. Brothers EDGAR A. TENNIS, GEORGE W.

KENDRICK, JR., and GEORGE B. ORLADY; also that in the second year of service of a Brother as Grand Master in this Jurisdiction, a portrait, life size in oil, of the Grand Master aforesaid, should be procured. The portraits of R. W. Brother GEORGE W. KENDRICK, JR. (presented by his sons), and that of R. W. Brother GEORGE B. ORLADY have been hung on the walls in the corridor of the first floor of this Temple.

A portrait has been received of Brother EDGAR A. TENNIS, but not yet framed and hung.

The portrait of R. W. Past Grand Master Brother GEORGE W. GUTHRIE is reported as being painted.

#### MASONIC HOMES.

The Masonic Home at Elizabethtown is nearing completion, as you will see from the report of the Committee on Masonic Homes which has been put in pamphlet form for the use of the Brethren, and it is expected to occupy the same by the first of next June. The building should be dedicated with proper observances prior to that time, and the necessary arrangements will be made in due time for such observance. Our indebtedness resulting from this undertaking is as follows:

The bonds or certificates of indebtedness of the Grand Lodge, of Series A and B, \$200,000 of each, have been placed as follows:

To individuals .....	\$55,050.00
To Lodges .....	102,000.00
To Chapters, Commanderies, etc. ....	17,100.00
To Grand Lodge Funds .....	195,900.00
<hr/>	
Total .....	\$370,050.00
With money borrowed on notes .....	90,500.00

Series C, \$200,000, will soon be authorized and the Fraternity in general will be called upon to subscribe for them.

The action of the Grand Lodge, at our last Quarterly Communication, in providing for the payment of the indebtedness in six years, for all improvements made at this Home, by laying a special per capita tax of \$1.00 per year upon our membership, has made this Loan more desirable, so we may predict that our entire bonded issue will be placed at the rate of interest originally agreed upon, four per cent. (4 per cent.), and will not be raised to a higher rate.

#### PRESIDENT TAFT'S VISIT.

His Excellency, the President of the United States, Brother WILLIAM HOWARD TAFT, having accepted my invitation to attend an Extra Communication of the Grand Lodge to witness our work, it seemed to me that it would be a very auspicious occurrence if the two Brothers who are at the head of the Governments of our neighboring Country and our own, could meet together under the protection of that great Fraternity, which looks away beyond mere geographical boundaries, and unites in a common bond men of all nations who believe in the Fatherhood of God and the Brotherhood of man. I accordingly sent a cordial invitation to the Governor-General of the Dominion of Canada, Brother His Royal Highness the DUKE OF CONNAUGHT, K. G., etc., who is the M. W. Grand Master of the Freemasons of England, to be present at this Extra Communication. This invitation was delivered to His Royal Highness in person, by a deputation consisting of R. W. Past Grand Master Brother GEORGE W. KENDRICK, JR., and Brother JAMES M. LAMBERTON, Chairman of the Committee on Correspondence, who were most fraternally received at Government House, Ottawa. His Royal Highness expressed

his high appreciation of the invitation, which he explained it was not possible for him to accept, owing to his official engagements. Later I received a fraternal letter to the same effect.

Had the M. W. Grand Master of England been able to attend, it had been my intention to extend an invitation to the Grand Masters and the Grand Secretaries of the Canadian Grand Lodges, who received, as did we, Masonic Light from England, to attend our Communication, that they might have the pleasure of sitting in Lodge with the distinguished Brother who is the head of their Government, and who it had been intimated before his arrival in Canada, would not be able to accept invitations to Masonic meetings in Canada, owing to his official position.

The Extra Communication was held here in the Temple on Thursday afternoon, May 23, the officers of the Lodges in and about Philadelphia being notified to be present to witness the exemplification of the work.

I decided to exercise my prerogative, and by virtue of my presence, the Honorable Marlin Edgar Olmsted, of Harrisburg, a member of Congress from the Eighteenth Congressional District, whom I had long known and who possessed the necessary qualifications, was introduced and was entered, passed and raised to the sublime degree of a Master Mason.

Brother TAFT expressed his pleasure at being present and said he had been very much interested in and pleased with the work.

#### MEMORIAL VOLUME.

The Committee having charge of the celebration of the One Hundred and Twenty-fifth Anniversary of our Independence as a Sovereign Grand Lodge, which was so successfully conducted in September of last year under the direction of my predecessor, R. W. Brother GEORGE W. GUTHRIE, have issued a Memorial Volume, which is a worthy record of a most interesting event. A copy has been sent to each Lodge.

## LIBRARY AND MUSEUM.

Our Library and Museum, under the wise management of the Committee on Library, is now the greatest storehouse of Masonic lore in America, and fully on par with any similar collection abroad. The book stack contains over 11,400 volumes, exclusive of the 35,000 volumes of Proceedings of Masonic Grand Bodies from all parts of the world. All Masonic Periodicals, English, German, French, Spanish, and Portuguese, that can be reached have been put on file. During the past year the Masonic papers in "The Keystone," formerly published in Philadelphia, from Volume 1 to 39, have been indexed and catalogued, and are now at the service of the members.

Our collection of Masonic antiquities, relics, medals, and curios in the Museum is second to none in the Masonic world, and is continually being added to.

The chief achievement of the past year, however, is the publication of the first volume of the history of the "Old Masonic Lodges of Pennsylvania, Moderns and Ancients, 1730 to 1800," which have surrendered their Warrants or affiliated with other Grand Lodges. As none of them or any of their descendants are here to write their history or sing their praises, it is but proper for this Grand Lodge to do so through the Committee on Library. It has been compiled from original records in the Archives of the Grand Lodge F. and A. M. of Pennsylvania by the Librarian, Brother JULIUS F. SACHSE; this is one of the most important Masonic publications ever issued in this country from both a historical and Masonic standpoint, and a copy should be in the hands of every intelligent Mason. The second volume now in course of preparation will be of equal interest, as it deals with the Military Lodges warranted by the Provincial Grand Lodge of Pennsylvania.

## DIGEST OF DECISIONS.

In my address last year I referred to the many hundred typewritten pages of decisions of former Grand Masters and the Grand Lodge, which had been prepared under the direction of R. W. Brother GEORGE B. ORLADY when he was Grand Master, and which it seemed to me should be "condensed, codified and printed." I asked Brother JAMES M. LAMBERTON, Chairman of the Committee on Correspondence, to arrange and edit these decisions, and I have issued and there will be sent in the next few days to every Lodge in the Jurisdiction a "Digest of Decisions," which will furnish in convenient form information for the determination of questions touching the Ancient Usages, Landmarks, Customs, Rules and Regulations of the Fraternity; and, in connection with the Ahiman Rezon, represents the Masonic Law of Pennsylvania.

To my fellow Grand Officers and to the Committee on Landmarks, I return my cordial thanks for many valuable suggestions in connection with the Digest.

## DECISIONS.

I have made but three Decisions of any great importance in the past year, with a view of making the "Digest of Decisions" of Grand Masters uniform and to conform to the apparent views of the vast majority of Brethren as to the government and regulation of our Fraternity.

First. Grand Masters having made decisions and issued Edicts upon matters contained in the "Digest of Decisions," as well as upon additional and supplemental questions in case of real or apparent conflict between decisions herewith issued and heretofore decided, the earlier ones are considered and interpreted as amended, revised, or suspended; all other previous decisions are suspended.

Second. Physical disqualification arising after initiation of a Brother will not prevent his advancement, provided he is mentally and morally qualified.

Third. The Circular Letter of Instructions to the several District Deputy Grand Masters issued by me last December, is inserted in the Digest for future Grand Masters to either add thereto or annul, as they may see proper.

I declined to issue a Dispensation to make a youth under age a Mason, and also of a person leaving this country to engage in the Consular service.

I declared the town of State College neutral territory as far as affected petitioners residing therein to Lodges No. 268 at Bellefonte, and No. 537 at Centre Hall.

In the absence of the Master and Wardens of Lodges Nos. 91 and 324, I authorized a Past Master, present, in each case, to open a Lodge and conduct funeral services.

In accordance with requirements under a deed of Frankford Hall, I approved of the election of one of the Trustees.

Report was made by the R. W. Grand Secretary of his examination of the minutes of not only this Lodge but also of Maclay Lodge No. 632. The Master Mason's degree was conferred upon a candidate by the Officers of Lodge No. 632 in a very satisfactory manner. Thirty Lodges from this with three from other Jurisdictions and about 400 Brethren were present. District Deputy Grand Masters Brothers FREDERIC A. GODCHARLES and WILLIAM L. SIDLER were present.

November 7. A Grand Visitation was made to Ivy Lodge No. 397, at Williamsport, of which our R. W. Junior Grand Warden is a member. The Grand Visitations as made during the week proving very satisfactory and enjoyable to the Grand Lodge Officers, and from the interest manifested, evidently very enjoyable to the Brethren, having ended, we proceeded homeward.

The work of our Fraternity as taught in our Schools of Instruction throughout the State has made very marked difference in the condition of the work, so that an Officer, although he is not endowed by nature with a retentive memory, can deliver the words and make the work as impressive as any other Brother.

#### EDICTS.

*To the Worshipful Master:*

DEAR SIR AND BROTHER:

Whereas, Thomas J. Pearce, a petitioner for initiation and membership to Lodge No. 312, at Ebensburg, Pa., was rejected therein;

George W. Phillips, a petitioner for initiation and membership to Lodge No. 153, at Waynesburg, Pa., was rejected therein;

Elmer E. Davis, a petitioner for initiation and membership to Lodge No. 540, at Millerstown, Pa., was rejected therein;

Frank Joseph Croyle, otherwise known as Francis, a petitioner for initiation and membership to Lodge No. 244, at Kittanning, Pa., was rejected therein;

Thomas H. Williams, a petitioner for initiation and membership to Lodge No. 511, at Shenandoah, Pa., was rejected therein;

Harry Richardson, a petitioner for initiation and membership to Lodge No. 558, at Lansdale, Pa., was rejected therein; and, having been rejected, were ineligible to any Lodge in this Jurisdiction until the objections to their approval had been lawfully removed, now claim to have been made Masons elsewhere, and are endeavoring to visit Lodges in this Jurisdiction;

Now, therefore, I, WILLIAM L. GORGAS, Grand Master of Masons in Pennsylvania, by virtue of the powers and authorities in me vested and for the reasons herein set forth, do hereby prohibit your Lodge from admitting said Thomas J. Pearce, George W. Phillips, Elmer E. Davis, Frank or Francis Joseph Croyle, Thomas H. Williams and Harry Richardson as visitors to your Lodge, and do also prohibit the members of your Lodge from extending to said persons any Masonic recognition whatever.

This Edict must be read in open Lodge at its next stated meeting and written in full in its Minutes.

Given under my hand and seal, at the City of Philadelphia, this Seventeenth day of October, A.D. 1912, A.L. 5912.

WILLIAM L. GORGAS,

*Grand Master.*

October 17. Directing a Master of a Lodge to take another ballot on an inquiry of said Lodge on a petitioner for initiation and membership, in a Lodge in Philadelphia, as to whether Masonic objection exists, because the Secretary stated

in his notices to the members that "the petitioner had been heretofore rejected," which was unlawful.

Through the courtesy of Brother FRED G. KNILEY, Secretary of Ashlar Lodge No. 570, Lykens, a Warrant for a Lodge at Mauch Chunk, now defunct, has been handed me; I have turned it over to our Library with this history.

The Warrant is presented by WILLIAM AUMAN, a member of Lodge No. 511, Shenandoah, Pa., whose maternal grandfather was JARED IRISH, the first Worshipful Master of Lodge No. 201, for which the Warrant was issued December 27, 1824, see Vol. 5, page 284, reprint of the Minutes of Grand Lodge. Brother AUMAN has no knowledge as to why the Warrant was left in his grandfather's care, he only having found the same among his mother's papers, after her death a few years ago.

And now in this Yule Tide of 1912, we begin the work of another Masonic year. Our achievements and acquirements in the past have been set forth in reports of the several Committees who do the actual work in the running of this Grand Lodge. An examination of these reports gives the student of Masonry the only intelligent idea of our accomplishments. Their reports at the end of this year in comparison with the reports of previous years will show what has been done and what has been accomplished during the year, and it is up to you Brethren to do what you can, and to aid the Committees, in making it one of our most successful years in our history.

So much of the minutes of the Quarterly Communication, held December 4, A.D. 1912, A.L. 5912, as relates to the election of Grand Officers and the Committee on Masonic Homes, was read.

Brother JOSIAH W. EWAN, Most Worshipful Past Grand Master of New Jersey, was pleased to visit the Grand Lodge and was received with the customary honors.

The following Brethren were duly installed in their respective stations for the ensuing Masonic year, were thrice proclaimed as such, and received the salutations of the Craft:

Brother WILLIAM L. GORGAS,  
*Right Worshipful Grand Master.*

Brother J. HENRY WILLIAMS,  
*Right Worshipful Deputy Grand Master.*

Brother LOUIS A. WATRES,  
*Right Worshipful Senior Grand Warden.*

Brother JAMES B. KRAUSE,  
*Right Worshipful Junior Grand Warden.*

Brother WILLIAM B. HACKENBURG,  
*Right Worshipful Grand Treasurer.*

Brother JOHN A. PERRY,

**COMMITTEE ON CORRESPONDENCE**

FOR 1912.

# REPORT

OF THE

## COMMITTEE ON CORRESPONDENCE

### FOR 1912.

---

TO THE RIGHT WORSHIPFUL GRAND LODGE OF PENNSYLVANIA:

THE COMMITTEE ON CORRESPONDENCE,—Brother LEE S. SMITH, of Franklin Lodge, No. 221, Brother WILLIAM N. SEIBERT, of Adams Lodge, No. 319, Brother GEORGE A. HOWE, of Franklin Lodge, No. 221, and Brother JESSE E. B. CUNNINGHAM, of Philanthropy Lodge, No. 225,—presents its annual report for the year A.D. 1912, A.L. 5912, by its Chairman, Brother JAMES M. LAMBERTON, of Perseverance Lodge, No. 21, who has, as usual, prepared the same.

The Committee very much regrets that its report is so very incomplete. The Chairman was delayed in beginning the report, owing to his being engaged (at the request of the Right Worshipful Grand Master) upon some other Masonic work, and a serious surgical operation and its attendant weakness effectually dissipated his hope of preparing the usual complete report in time to be printed in the Proceedings of 1912. Only seven Proceedings have been reviewed, as follows:

ALABAMA . . . . .1912	BRITISH COLUMBIA . . .1912
ALBERTA . . . . .1912	CALIFORNIA . . . . .1911
ARIZONA . . . . .1912	COLORADO . . . . .1912
CONNECTICUT . . . . .1912	

## ALABAMA—1912.

THE Most Worshipful Grand Lodge of Ancient, Free and Accepted Masons of Alabama and its Masonic Jurisdiction began its Ninety-first Annual Communication at the Masonic Temple, in the City of Montgomery, on Tuesday, December 5, A.D. 1911, and closed the following evening, four sessions being held.

Most Worshipful Brother LAWRENCE H. LEE, Grand Master.

The annual address of the Grand Master shows a vigilant and efficient officer. In the early portion of the address, he truly says:

“If every one of us should carry into the world of politics, economics and citizenship outside, the principles and usages he recognizes and conforms to in the Lodge, masonry could do more than all other combined influences to convert our country into an ideal republic, where justice, equity and fraternity would replace ignorance, vice, poverty, injustice, bitterness and strife.”

During the year, Alabama lost its venerable Grand Treasurer, Right Worshipful Brother WILLIAM H. DINGLEY, and also Past Grand Master WILLIAMS. In the record of those who have been called from earthly labor, mention is made of our late Grand Secretary, Right Worshipful Brother SINN. In reporting his participation in the annual meeting of the George Washington Masonic National Memorial Association, Brother LEE well says:

“There is nothing in the constitution or by-laws tending in the least to bring about a central or union Grand Body. This has been studiously avoided on all sides, and safeguarded in every way. Otherwise, your delegates would have been tempted to violate instructions and have declined to commit this Grand Jurisdiction to the project.”

Satisfactory progress was reported as to the new Masonic Home, and at noon on the second day, a special train was taken to the site of the "Alabama Masonic Home," near Montgomery, when the corner-stone was duly laid by the Most Worshipful Grand Master, interesting addresses being made by Past Grand Masters JACOBS, CUNNINGHAM and MALLORY. Among those from whom letters of regret were received, was the Grand Master of Pennsylvania, Right Worshipful Brother GUTHRIE.

The report on Foreign Correspondence is the thirteenth from the pen of our venerable Brother WILLIAM Y. TITCOMB, who agrees with us that such reports should better be prepared by one Brother, rather than be a composite paper; and that all those who manage a Masonic Home should be Masons. We are in hopes that our dear Brother will yet be able to induce his Grand Lodge to cease charging dues against those who have been suspended.

The typography of our Proceedings, along with those of "N. H., 'N. J.' and a few others," commends itself to our Brother, who confesses, as does his writer, to have had the honor of being a teacher for a goodly number of years.

The sad part of the report comes at its close when the Grand Secretary tells us that Brother TITCOMB was seriously ill, and unable to finish his report.

Pennsylvania for 1911 is reviewed: "This splendidly executed volume with its engravings and good sized type, is welcome to our table." The address of Grand Master GUTHRIE is "brim full of interesting matter—so full that we despair of doing it justice in our limited space; but so timely is the following that we venture to extract it bodily": and Brother GUTHRIE's remarks as to "Proficiency of Masters and Wardens" are given. A number of our other doings are noted, but one sentence puzzles us: "The Grand Historian made an extended report, to the gratification of his Brethren." We do not happen to possess a "Grand

Historian;" however, if we did, we have no doubt his Brethren would be gratified with his report.

Our report comes in for our Brother's high—indeed too high—commendation, he kindly saying, "his style, in its clearness, reminds us of WASHINGTON IRVING." We sympathize with our Brother's feeling as to the reply sent to Grand Secretary BEAUCHAMP's query as to our practice in Pennsylvania with regard to requirements made of visitors before admission to Lodges; and can only suggest that, while what our Grand Master said was apt enough, he did not know that nothing further in the way of information would be sent in the letter.

Brother TITCOMB throws light on his Latin quotation, which, owing to the liberty the devil (the printer's, of course) took with it, we failed to identify.

Number of Lodges, including ten under dispensation, 535; initiated, 1970; total membership, 24,361, a gain of 1058.

Most Worshipful Brother DANIEL A. GREENE, of Birmingham, Grand Master; Right Worshipful Brother GEORGE A. BEAUCHAMP, of Montgomery, Grand Secretary, re-elected.

### ALBERTA—1912.

THE Most Worshipful Grand Lodge of Alberta, Ancient, Free and Accepted Masons began its Seventh Annual Communication, in the Masonic Temple in the City of Edmonton, on Wednesday, May 29, A.D. 1912, and closed the following day, two morning and two afternoon sessions being held.

Most Worshipful Brother THOMAS McNABB, Grand Master.

The annual address of the Grand Master, whose portrait forms the frontispiece, gives in a kindly way an account of his activities. He visited all the Lodges in his Jurisdiction, they having increased in seven years, from 18 to 68, and

their membership from 1206 to 4498. Among the distinguished Brethren of other Jurisdictions who have passed beyond the veil, he notes our late Grand Secretary SINN.

In order that the Brethren may know something of the doings of the Grand Lodge, Brother McNABB recommended a ruling that all Lodges be required to have the proceedings of the Grand Lodge read in open Lodge, within three months after issue, and that at all meetings a copy of the Proceedings should be placed on the table for the perusal of the members.

The Board of General Purposes having decided that the review of Proceedings of other Jurisdictions should be prepared by one Brother, "previous methods having proved useless—", the excellent report is prepared by Brother S. Y. TAYLOR, whom his Brethren this year called to serve them in the South.

Our Brother summarizes the interesting matters he comes upon, and makes useful quotations from addresses and reports; his Brethren will be pleased with his work. We note that his extracts are not only carefully marked with quotation marks, but the extracts are "in-set," so that one can readily see what our Brother has written, and what he quotes.

From time to time Brother TAYLOR expresses his views on various questions.

Under Louisiana, he tells us:

"We heartily concur with our worthy brother with respect to the guarding our Lodges against unworthy applicants. We might, to some extent at least, follow the example set by Craft Masonry in Switzerland. Their candidates when proposed are put under observation for one or two years and questions are put to them to probe to their innermost souls.

"When the observation committees are satisfied they are brought and a series of questions are put to them for the first time, which they have to answer in writing.

## REPORT ON CORRESPONDENCE.

“If these answers are entirely satisfactory the ballot takes place. The second degree is not taken for another year, and possibly another year intervenes before the third degree is conferred, the candidates being required to show that they have made a genuine advancement in Masonic knowledge before these privileges can be secured.”

He favors two consecutive terms for a Grand Master, saying that “the experience gained during the first year must be of inestimable value in the conduct of the affairs of a Grand Lodge during the second year. This should outweigh any argument in favor of distributing honors annually.”

Pennsylvania for 1911 is well reviewed; referring to our Celebration of the 125th Anniversary of Our Independence as a Sovereign Grand Lodge, in September, 1911 (“the programme was of an exceptional character throughout”), our Brother says: “Personally we regret that the Grand Lodge of Pennsylvania did not print at least one of the addresses in the proceedings. The subjects and high rank of the speakers are sufficient guarantee of the merit of each address.”

For our Brother's information, we may say that in the recently issued Memorial Volume of the Celebration the addresses are given. Copies of this book were sent to the library of every Grand Lodge with which we hold fraternal relations, as well as to every Grand Master in 1911, to the Chairman of the Committees on Correspondence, and to the principal libraries of the world.

A number of Grand Master GUTHRIE's decisions are quoted, and full statement is given of the amounts of our various Charity Funds.

Our Brother notes that our report “covers 316 pages, and contains much of general interest to the Craft.”

Number of Lodges according to the tabular statement,

Most Worshipful Brother ROBERT PATTERSON, of Macleod, Grand Master; Most Worshipful Brother GEORGE MACDONALD, M.D., of Calgary, Grand Secretary, re-elected.

## ARIZONA—1912.

THE Most Worshipful Grand Lodge of Free and Accepted Masons of Arizona began its Thirtieth Annual Communication at the Masonic Hall, in the City of Prescott, on Tuesday, February 13, A.D. 1912, and closed two days later, three morning and two afternoon sessions being held.

Most Worshipful Brother HENRY ALFRED MORGAN, Grand Master.

The address of the Grand Master, whose portrait forms the frontispiece, gives an interesting account of his doings. A sad announcement was the death of the Deputy Grand Master, Right Worshipful Brother THOMAS STANFORD BUNCH, who had died in June, 1911. In the list of the "Illustrious Dead of Sister Grand Jurisdictions" is given the name of our departed Grand Secretary, Right Worshipful Brother SINN.

During the second morning session, it having been made known that the President, Brother WILLIAM HOWARD TAFT, had signed the proclamation admitting Arizona to Statehood, a congratulatory telegram was sent to the Governor, with the wish that he and his successors in office might "so govern and rule that peace and harmony may forever prevail within our borders."

The hour of twelve having arrived, the Grand Master stated that he had been invited by the Prescott Chamber of Commerce and the Yavapai County Board of Supervisors to plant a tree on the Court House Square in commemoration

of the admission on that day of Arizona to Statehood, and announced that he had on behalf of the Grand Lodge accepted the invitation, and had appointed Past Grand Master DOAN to make an address. The Grand Lodge was then called from labor, and a procession was formed under the direction of Grand Marshal, "and in full regalia the Brethren marched to the Court House Square and formed a circle around the tree, which is a native white oak, brought from Williamson Valley. The tree had been made ready by Mr. A. Cruickshank, the county gardener, and stood erect in a large hole supported by guy ropes."

When the band finished playing patriotic airs, and after a prayer had been made by a clergyman, who apparently was not a member of the Fraternity, the Grand Master made a brief address, and introduced Past Grand Master DOAN to speak on the subject of "Admission Day," previous to which the record states "The Grand Master threw several shovelfuls of dirt around the tree." At the conclusion of Brother DOAN's address, the Mayor of Prescott, Past Grand Master GOLDWATER, spoke briefly, and in concluding said: "And now let everybody join in three cheers for the new State of Arizona."

The record continues:

"The cheers were given with a vim, after which the school children sang 'America.' The children were then formed into line and each one from the smallest to the largest taking the shovel from the Mayor put a small portion of dirt around the tree. Many married ladies who were born in Arizona also participated in this ceremony. The Brethren then marched back to the Hall, where the shovel was presented to Aztlan Lodge."

Just why the *unmarried* ladies "who were born in Arizona," were discriminated against in this manner, is beyond the ken of this writer; they have his sympathy.

## ARIZONA.

The following regulation was adopted:

“Every brother who has been raised to the degree of Master Mason shall, within six months after being raised, be required to pass a satisfactory examination in the Lecture of the Third Degree either in open Lodge or before the regular examining committee, and it shall be the duty of the Master to see that this regulation is strictly enforced.”

After his installation, the new Grand Master expressed his appreciation of the honor bestowed upon him, saying in part:

“Especially has this honor been pleasing to me for the reason that, at the moment the Grand Master declared me elected the whistles were blowing and cannons were booming the glorious news of the admission of our commonwealth into the Sisterhood of States. Another honor is that of being the first native born Arizonian to become Grand Master. Still another honor, that of being installed by my God-Father, M. . W. . P. . G. . M. . Morris Goldwater. All these honors make me feel a keen responsibility for the tasks before me.”

In his list of Representatives of the Grand Lodge of Arizona near other Grand Lodges, Grand Secretary ROSKRUGE gives Past Grand Master KELLY as the Representative near the Grand Lodge of Pennsylvania. We may remind our Very Worshipful Brother that Brother KELLY died more than four years ago; to be accurate, October 20, 1908.

No report on Correspondence.

Number of Lodges, 20; initiated, 168; total membership, 2014, a gain of 102.

Most Worshipful Brother HARRY ARIZONA DRACHMAN, of Tucson, Grand Master; Very Worshipful Brother GEORGE J. ROSKRUGE, of Tucson, Grand Secretary, re-elected.

BRITISH COLUMBIA—1912.

THE Most Worshipful Grand Lodge of Ancient, Free and Accepted Masons of British Columbia began its Forty-first Annual Communication in the Masonic Temple in the City of Vancouver, on Thursday, June 20, A.D. 1912, and closed the following morning, four sessions having been held. Having recorded the proceedings of no less than eleven Emergent Communications, our friend the Grand Secretary had become so used to that term, that the proceedings of the Annual Communication are headed, "Emergent Communication"!

Most Worshipful Brother FRANCIS J. BURD, Grand Master (whose portrait is one of those given at the beginning of the volume).

Most Worshipful Grand Master McCANDLESS, of Washington, accompanied by Most Worshipful Past Grand Master GOVE and Right Worshipful Grand Secretary TYLER, were welcome visitors.

The address of the Grand Master is a practical paper, with some prudent and useful suggestions.

Among those of other Jurisdictions who have entered into life, our Right Worshipful Grand Secretary SINN is recorded. It is the law in British Columbia that all funerals conducted by the Lodges are to be reported at once to the Grand Secretary.

"While holding that the wearing of Masonic regalia when attending Divine service is wrong, in that the Lodge is not at labor at the time," the Grand Master has followed his predecessors in granting such dispensations.

On his recommendation (he stating truly "these two Brethren are the most eminent of our Masonic Historians"), our friends Brother ROBERT FREKE GOULD, of England, and Right Worshipful Brother W. J. CHETWODE CRAWLEY, Grand Treasurer of Ireland, were made honorary members of the Grand Lodge, with the rank of Past Grand Warden.

We note a number of interesting additions to the Library.

The report of the Committee on Foreign Correspondence is as usual by the Chairman, Very Worshipful Brother WILLIAM A. DEWOLF SMITH, Grand Secretary.

It is fair to presume that our Brother knows how to write his own name, which, when it is given in facsimile, lacks the hyphen; yet in the proceedings, to the correctness of which he certifies under the seal of his Grand Lodge, it is always spelled with the hyphen. It was pleasant to see that the Deputy Grand Master, who was detained the first day by reason of serious illness and to whom a telegram of sympathy with the hope of speedy recovery was sent by the Grand Lodge, was able the second morning to follow in person his telegram expressing his appreciation of the sympathy, and to be installed with the other Grand Officers.

In his report, Brother DEWOLF SMITH reviews in an interesting way the various books of Proceedings, his work being printed in paragraphs, thus adding to clearness.

Under Alabama, our Brother clears up a point for a Brother as to the "Fourth Degree," saying it "is an important and interesting ceremony in which the working tools are the knife and fork."

Our Brother, under New York, expresses the opinion, which we share, that the airing by the Brethren of opinions "occasionally and in moderation," adds to the interest of reports on Correspondence.

Under Ohio, Brother WILLIAMS had expressed the view that Brother DEWOLF SMITH was "rather narrow in objecting to the escort of Knights Templar for processions of the Grand Lodge, saying:

"While it is true that the Order of Knights Templars is no part of Ancient Craft Masonry, yet every member of that Order is a Master Mason, and the symbolic degrees are recognized as the foundation and one of the essentials of the Order."

Whereupon Brother DEWOLF SMITH pertinently remarks:

“ So we have been told, and we believe, too, that a man must be a Master Mason before he can become a Noble of the Mystic Shrine, but would Brother Williams like to see his Grand Lodge in procession with an Arab Patrol as escort? ”

Under Wyoming, our Brother tells that it is possible in England by dispensation for a Brother to be the Master of two Lodges at the same time.

Pennsylvania for 1910 is reviewed, the more important of our doings being mentioned, and a number of decisions by Grand Master GUTHRIE are quoted. Our report is kindly considered, several extracts being taken therefrom.

Number of Lodges, including two under dispensation, 65; initiated, 500; total membership, 5776, a gain of 755.

Most Worshipful Brother JOHN M. RUDD, of Nanaimo, Grand Master; Very Worshipful Brother WILLIAM ANDREW DEWOLF SMITH, of New Westminster, Grand Secretary, re-elected.

## CALIFORNIA—1911.

THE Most Worshipful Grand Lodge of Free and Accepted Masons of the Jurisdiction of California began its Sixty-second Annual Communication at Golden Gate Hall, in the City of San Francisco, on Tuesday, October 10, A.D. 1911, and closed four days later, morning and afternoon sessions being held each day.

Most Worshipful Brother DANA REID WELLER, Grand Master.

The address of the Grand Master, whose portrait forms the frontispiece, in the opening contrasts electricity and Masonry, saying, “ As the power and efficiency of electricity

can be communicated only through certain agencies, so the potency of Masonry can be properly applied to certain characters."

Two Past Grand Masters, Most Worshipful Brothers WILEY J. TINNIN and EDMUND C. ATKINSON, had been summoned from earth.

It is interesting to find the Grand Master saying:

"From a state of scepticism caused by reports based upon inadequate information as to the efficacy and economy of Masonic Homes, I have been converted to the firm belief that we have properly solved the problem of the care of our unfortunate brethren, with justice to them and to ourselves."

He reports that the employment bureau at Los Angeles had proven a lasting success, and that the daughters of his predecessor, the last Grand Master PIERCE, had given to the Grand Lodge their father's Masonic library.

He recommended a fuller form of application for initiation and membership be adopted; and later such form was adopted, including the following questions:

"Do you believe in God and a future existence?.....

"Are you in sound bodily health?.....

"Do you know of any physical, legal, or moral reason which would prevent you from becoming a Freemason? State particularly any physical deformity or defect.....

"Have you read all the questions contained in the foregoing petition? Are all of your answers thereto in your own handwriting? And do you, upon your honor, declare your foregoing statements to be true?".....

In Grand Secretary WICHER's very detailed report, we find among the expenditures, a sum expended for "three lockets and chain (Pierce girls)," but no explanation is

given. We suspect that was a fitting recognition of a gracious and generous act.

The Boards of Relief of San Francisco, Los Angeles, Oakland, San Diego and Sacramento continue their blessed work. From the detailed reports of the first two, we find that they expended for Brethren *from other Jurisdictions* over nineteen thousand dollars, of which a little over ten thousand was returned. Surely that is true Masonry! Brethren from Pennsylvania were among those assisted, and we are glad to note some return payments by Pennsylvania Lodges.

The Constitution of the Grand Lodge provides for the Annual Communication being held in San Francisco, but, as the new Masonic Temple will not be ready until 1913, an amendment was adopted, providing that the Annual Communication for 1912 only should be held in Los Angeles.

Full and detailed reports are made as to the two Masonic Homes; that at Decota containing 65 Brethren and 37 women; while at the San Gabriel Home there are 30 boys and 20 girls. At the former, the Coleman Hospital, the gift of the generous Grand Treasurer, Right Worshipful Brother EDWARD COLEMAN, whose portrait we are pleased to have, was dedicated January 21, 1911.

The oration this year was by Brother ALBERT G. BURNETT, who delighted his hearers, his well chosen words being most earnest and helpful.

During the sessions of the Grand Lodge, twice it was called off from labor to permit the Grand Master, with his officers, to lay corner-stones: Wednesday afternoon, when the corner-stone of the Masonic Temple of California, in San Francisco, was laid; and Friday afternoon, when the corner-stone of the City Hall in Oakland was laid, in the presence of the President of the United States, the Governor of California and the Mayor of the City, and a large assembly of the Brethren, citizens, soldiers and sailors.

## CALIFORNIA.

In the full account of the former ceremony, we were particularly interested in the address of our friend and fellow Churchman, Brother WILLIAM H. CROCKER, President of the Masonic Temple Association of California; Brother SAMUEL M. SHORTRIDGE was the orator of the day.

The cost of the Temple, unfurnished, will be \$913,803, in addition to the cost (\$257,000) of the site.

At the memorial service, Friday morning, appropriate action was taken regarding the death of Very Worshipful Brother GEORGE JOHNSON, who was Grand Secretary from 1890 until 1908, when he resigned on account of ill health.

A portrait in oil of the present valued Grand Secretary was presented to the Grand Lodge.

The report on Correspondence is the third by the Chairman, Most Worshipful Past Grand Master Brother EDWARD H. HART.

Our Brother is observant; he mentions that one orator in another Jurisdiction began his oration with three paragraphs taken from an address of a California Grand Master, carelessly omitting the quotation marks.

Under Alabama, he tells us:

“The Committee on Correspondence is in error in its supposition that in any of the California Lodges in the Philippines negroes are admitted, or, in fact, any but white men, and any so-called Masonic Lodges in the Philippines, outside of those holding charters from the Grand Lodge of California, are not generally recognized as regular, their charters having, as a rule, been issued by the Grand Orient of Spain. We are certain, also, that there are no Lodges in the State of Washington admitting negroes, and we believe that Alpha Lodge, in the Jurisdiction of New Jersey, and Union Lodge No. 18, Nova Scotia, formerly 598 registry of England, established January, 1856, ten years before the formation of the Grand Lodge of Nova Scotia, and there-

fore inherited by the latter jurisdiction from England, are the only two Lodges on the American Continent wherein negroes are initiated as Masons."

Under Arkansas, we agree:

"American Masons, we apprehend, will take issue with the Grand Master of Arkansas in his statement that Washington was not distinguished for his Masonic services, for Washington certainly was distinguished as a Mason, having been continuously identified with the great Fraternity from the time that he was less than 21 years of age to the very last day of his illustrious life, and having exemplified in his unexampled career and character, Masonic precepts and teachings, and these things are so well and universally known, particularly by well informed Masons, that to argue to the contrary is to betray a strange lack of correct and authentic information."

We were very much impressed when we learned of the entry in WASHINGTON'S diary for February 12, 1785, of his attendance at the funeral of a Mason, a fact we had occasion to call attention to, in 1902, at our Washington Sesquicentennial Celebration, as something that we had never before seen referred to in any Masonic address:

"Received an Invitation to the Funeral of Willm Ramsay Esqr of Alexandria—the oldest Inhabitant of the Town; & Sent up—walked in procession as a free mason—Mr Ramsay in his life time being one & now buried with the ceremony & honors due to one."

Our Brother agrees with us regarding the Grand Representative subject.

Under Iowa, our Brother says:

"Its Grand Lodge Library is probably as complete a Masonic library as there is in this country."

We may say that it will give us great pleasure to show Brother HART our library in Philadelphia.

Under Kentucky, we learn that:

“The Masonic Home idea had its origin, so far as this country is concerned, possibly in Kentucky,” and, under Louisiana, commenting upon the opposition of that Grand Master to the Masonic Home as a means of administering Masonic relief, Brother HART says, “Notwithstanding the Grand Master’s forcible language, we believe the weight of opinion in American Masonry is against him.”

Brother HART thinks it is not necessary that the Chaplain should be a member of the Lodge. We do not agree.

Pennsylvania for 1910 is reviewed quite fully. After referring to the Masonic Homes at Elizabethtown, Brother HART says:

“In the course of another two years the buildings will probably be completed, and what, in many respects, may be considered as the finest Masonic Home in existence, fully established. The site itself comprises 966 acres of what is considered the finest land in Pennsylvania, and the numerous financial resources of the jurisdiction of Pennsylvania will be drawn upon to make this Masonic charity the ideal of its kind in the world.”

After giving the names of the Presidents of the United States who have been Freemasons, as stated by Brother BARRATT in connection with the presentation of the Williams portrait of WASHINGTON, Brother HART says:

“We might add, also, that General Ulysses S. Grant was initiated an Entered Apprentice Mason in a Missouri Lodge, but through stress of public duties which crowded upon him immediately after his initiation, he was never able to complete his purpose concerning the remaining degrees.”

## REPORT ON CORRESPONDENCE.

After speaking of Grand Master GUTHRIE's address, our Brother continues:

“Various edicts were issued by the Grand Master in the year, and inasmuch as there is no appeal from an edict or decision of the Grand Master of Pennsylvania, what he says is law, unless and until reversed or annulled by some succeeding Grand Master, there being in this jurisdiction no Jurisprudence Committee, and no review by the Grand Lodge of the decisions of the Grand Master, this power in this respect being, we believe, unique among the American Grand Lodges.”

He then makes mention of several and thinks the implication in one decision that the Grand Master possesses the prerogative of waiving the requirement of legal age is unsound, saying also:

“That an applicant for the degree of Masonry must be of ‘lawful age’ is, we believe, almost a landmark in Masonry, which no Grand Master has the power to abrogate or set aside.”

We may say for our Brother's information, that the Grand Master of Masons in Pennsylvania has always possessed the power both to make a Mason at sight and to make a youth under age a Mason.

Our report is briefly noted:

Number of Lodges, including three new ones, 343; initiated, 3012; total membership, 45,836, a gain of 2161.

Mission Lodge No. 169, at San Francisco, is the largest, having 886 members.

Most Worshipful Brother ALONZO J. MONROE, of Eureka, Grand Master; Very Worshipful Brother JOHN WICHER, of San Francisco, Grand Secretary, re-elected.

## COLORADO—1912.

THE Most Worshipful Grand Lodge, Ancient, Free and Accepted Masons, of Colorado, began its Fifty-second Annual Communication in the Masonic Temple, in the City of Denver, on Tuesday, September 17, A.D. 1912, and closed the following day, morning and afternoon sessions being held each day.

Most Worshipful Brother H. W. WOODWARD, Grand Master.

The Grand Master's address is straightforward and direct. He had the sad duty of announcing to the Fraternity the death of Past Grand Master SAGENDORF, the oldest in years of the Past Grand Masters, and fitting tributes were paid to his memory.

We were interested to note that the Grand Master's recommendation that the Grand Secretary be prohibited from signing or from attaching the seal of the Grand Lodge to any form of diploma other than the regular form of the Grand Lodge, was adopted.

A report of the Committee on Fraternal Correspondence was adopted, recommending recognition of the Grand Lodge of Porto Rico, and reporting the "different Grand Lodges composing the United Grand Lodge of Germany as regular in every respect," and recommending recognition. After this report had been adopted, a report of the Committee on Correspondence was presented and ordered printed in the Proceedings. Most Worshipful Past Grand Master Brother LAWRENCE N. GREENLEAF is the chairman of both of these Committees; how their labors are divided, we cannot say.

A letter was read from the Grand Lodge of Mississippi, calling attention to an order issued by the War Department, prohibiting the placing of Masonic emblems on monuments or markers in National cemeteries, the letter being accom-

panied with certain resolutions passed by that Grand Lodge, asking that this order be revoked.

The action of the Grand Lodge of Mississippi was unanimously approved, and the matter was referred to the Grand Secretary, with instructions to take such steps as he might deem proper to assist in having this order revoked, in case this action has not already been taken.

The Grand Orator, Brother WILLIAM P. BENEDICT, pleased his Brethren with his interesting oration, for which he received the thanks of the Grand Lodge.

Grand Secretary JACOBSON includes a great amount of detail in his appendix (as just possibly he may have joined the Royal Order of King Edward VII, and parted with his appendix, as have many good men and true, perhaps we should say in *the* appendix to these well and clearly printed Proceedings). In addition to the statistics of the work of the Lodges, he gives lists of the fraternal dead of the Jurisdiction, of those who have affiliated during the year (five of whom hailed from Pennsylvania), of those reinstated, "suspended," "suspended U. M. C.," "expelled, and demitted."

We have the portrait of the incoming Grand Master (with a biographical sketch).

The report on Correspondence is, as we have indicated, by Past Grand Master GREENLEAF, his twenty-eighth,—the twenty-fourth in consecutive order; while our Brother reserves, generally speaking, until the end of his report, his views on a number of topics, he occasionally expresses himself as he goes along, and, under Kentucky, writes:

"Any Grand Master who conceives the idea that the consensus of the opinions of sister Grand Lodges, or, the mutation of time, will have any effect in changing the Ahiman Rezon of Pennsylvania is sadly mistaken."

For a poet, our Brother is too pessimistic.

## COLORADO.

Nearly six pages are given to Pennsylvania for 1911, which is well reviewed. Part of Grand Master GUTHRIE's address regarding the dragging of Masonry into politics is quoted, and a number of his decisions.

In our report last year we quoted some words of Brother GREENLEAF regarding the use of initials, and added:

We may say that we have sought in vain to ascertain what the first initial of Colorado's new Grand Master stands for, whether Harold, Henry, Hiram, Horace, or Hubert.

Our Brother now rejoins:

"That is one on us. 'What's in a name?'—Our Grand Master thinks there is much and believes in using the 'H' only, so there you are. He has probably good reason for the same, but it leaves us 'up in the air' on our contention."

From our Brother's conclusion we quote:

### "HANDS ACROSS THE SEA.

"Here's 'Hands across the sea!' good sirs, here's 'Hands across the sea!'

To every isle and continent where'er our Brethren be.

For we are one in sympathy as we are one in name,

The self-same tools are bright with use and mystic lights  
aflame,

The same designs on trestle-board by which our tasks are  
wrought,

Their symbol-truths impressed on heart and centered in our  
thought.

For that which counts for greatest good is through the lives  
of each,

Who by their acts exemplify the principles we teach.

The world's great heart is throbbing with the spirit of unrest,

We hear the cry that wellet up from peoples long oppressed,

We see the rule of Mammon and the grasping hand of greed,

## REPORT ON CORRESPONDENCE.

The travesties of justice and the toiler's bitter need.  
The striving for the mastery, the ever-present fear  
With nation watching nation and the war-clouds hovering  
near.

And the question ever riseth as portentous signs we trace,  
What will the final outcome be and what the saving grace.  
And Masonry makes answer with its never-changing plan—  
The Fatherhood of God, the Brotherhood of Man.  
Though aeons upon aeons break up the shores of time,  
This is the grand fulfilment and the prophecy sublime.  
This is the work on trestle-board for Brethren everywhere,  
For never was there greater need for level, plumb and square,  
For trowel with cement of love to strengthen and unite  
The human race in brotherhood and usher in the Light!  
To all who aid this glorious work wherever they may be,  
Here's to the Craft in homeland and here's 'Hands across  
the sea! ' "

## CONNECTICUT—1912.

THE Most Worshipful Grand Lodge of the Most Ancient and Honorable Fraternity of Free and Accepted Masons of the State of Connecticut began its One Hundred and Twenty-fourth Annual Communication at the Masonic Temple, in the City of Hartford, on Wednesday morning, January 7, A.D. 1912, and closed the following morning, three sessions being held. (We are not sure that the title of this Grand Lodge is correctly given; our purpose is to give in each

case the official title of the Grand Lodge of the Jurisdiction under review.)

Most Worshipful Brother RANDOLPH B. CHAPMAN, Grand Master.

The address of the Grand Master, whose portrait forms the frontispiece, is a simple account, without undue verbiage, of his actions.

He reported that they had a prosperous year, and harmony prevails throughout the Jurisdiction. He mentioned "in the roll of our honored dead," our late Grand Secretary SINN, and had to note the death of one of Connecticut's Past Grand Masters, Most Worshipful Brother SAMUEL BASSETT, whose portrait is given.

He attended the One Hundredth Anniversary of the Grand Lodge of the District of Columbia, with Grand Secretary HAVENS; but, being unable to attend our Celebration of the One Hundred and Twenty-fifth Anniversary of our Independence, he designated Brother HAVENS as his Representative, whose report is given. We had the pleasure of sitting with this honored Brother at the banquet. We may note a slip he makes as to the preacher at the service at Christ Church: he was Bishop DARLINGTON, not Bishop WHITEHEAD; that Brother was in the chancel and took a prominent part in the service. We quote from Brother HAVENS' special report:

"My thanks to the Right Worshipful Grand Master, GEORGE W. GUTHRIE, and his associates for the hospitable entertainment and greeting are due and heartily expressed."

Under "Corner Stones," the Grand Master reported that "permission was asked by M. W. ROBERT JUDSON KENWORTHY, Grand Master of Masons in New York, to lay the corner-stone of a studio at Springdale near Stamford, Conn., "for the Master of a Lodge in New York City," and that

the permission was given and the stone laid, "the Grand Master of New York officiating." This seeming to be at least unusual, we turned to the New York Proceedings, and found that Grand Master KENWORTHY reported that, on July 7th, "assisted" by a number of Grand Lodge Officers, he "dedicated and consecrated the foundation stone of the studio of W. . Gutzon Borglum at Stamford, Connecticut."

No explanation is given of this invasion of another Jurisdiction, and no mention whatever is made of the permission so courteously given by the Grand Master of Connecticut to the Grand Master of New York to perform the ceremony in his Jurisdiction, nor is any reason given for so unusual a proceeding as the dedication and consecration of "the foundation stone of a *studio*." We wonder if this is usual in many Jurisdictions.

We have looked in vain in the very interesting and valuable "Compilation and Digest of Masonic Law in New York," by Brother ABEL CROOK (for a copy of which we desire to express our thanks to New York's veteran Grand Secretary, Most Worshipful BROTHER EHLERS) for any reference to the laying of corner- or foundation-stones.

In accord with Grand Master CHAPMAN's recommendation, an appropriation of one hundred dollars was made towards the expenses of the George Washington Masonic National Memorial Association.

A portrait of the Grand Treasurer is given, in which a very large emblem not Masonic is displayed on the lapel of the Brother's coat!

Grand Secretary HAVENS had investigated the matter of the "chain letter," in connection with the McKinley National Memorial Association, and learned that, while that Association had not authorized the scheme, what small amount of money had been received had been properly used.

The York Grand Lodge of Mexico and the Grand Lodge of Porto Rico were recognized.

## CONNECTICUT.

Among the additions made to the library ("All valuable works, and much appreciated"), we find mention of an address made by this writer in connection with a celebration of the One Hundred and Twenty-fifth Anniversary of the Independence of the Grand Lodge of Pennsylvania, a copy of which he had the pleasure of sending Brother HAVENS.

The report on Fraternal Correspondence is by the Committee, Most Worshipful Past Grand Master and Grand Secretary, Brother FRANK W. HAVENS, his fourth. Our Brother selects a number of the interesting matters he comes upon, and only rarely gives his own views.

Under New Jersey, our Brother notes an error in the report of the Committee on German Ritual, which states that the New Jersey Lodges are the only ones working in the German language in the United States, Brother HAVENS noting that one of the most flourishing Lodges in Connecticut is Connecticut Lodge, No. 92, which does very creditable work in the German tongue.

We may add that there are seven Lodges in this Jurisdiction working in the German language: Hermann, No. 125, and Humboldt, No. 359, in Philadelphia; Solomon, No. 231, Jefferson, No. 288, and Germania, No. 509, in Pittsburgh; Schiller, No. 345, in Scranton, and Teutonia, No. 367, in Reading.

Under Tennessee: we agree with the sentiments of Brother HAVENS, when, after quoting the Committee on Correspondence, "nevertheless, if these meetings of Grand Masters are kept up, it will be easy to drift into a supreme Grand Lodge for the United States," he says:

"We do not agree. The meetings of Grand Masters for social [purposes] and interchange of Masonic views, will never have the influence of entertaining a Supreme Grand

## REPORT ON CORRESPONDENCE.

Lodge. In order to reach such a result, it would be necessary for universal concession and that is impossible."

Pennsylvania for 1910 receives our Brother's review in a little over a page in which some of the more interesting matters are noted, mention being made of our report.
